### IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

In the saddle last week was Dick Wilkinson with a window for the concession stand and Fred Mankin framed it. Herman Green and his son finished the siding and it would be nice if we could get that pile of poles used up before the Sage Riders come over.

I hear some of the boys made it to Milton Saturday evening for the Jackpot roping. Nell Beamer did alright by taking a first in the amateur class. It was too long a day for the older boys.

Sunday is to be a playday at the club grounds. With the lead the Sage Riders have stacked up against us we are going to have to scurry a lot faster than we have, and we could use a little more team work in the musical ropes.

Are we going to have any calves this week? I didn't find out but I can give you the winners for the Sage Riders playday thanks to Altha Kirk: Bending race, 15 and under—

all places went to the Sage Riders, Janice Roberts 24.4; Jackie Jeppe 27.2; Wayne Butts 27.4; Terri Roberts 27.9. 16 and older, Roice Fulleton 26.2; Ralph Beamer 26.2; Cornett Green 27; Butch Rennecker 27.3.

Bareback relay open event—Bill Ewing, John Kuhn, Wally Fredrickson, 1:02; Frank Hiatt, C C Fredrickson, K C Rogers 1:05.9; Geraldine Swaggart, Marlene Fetsch, Pat Steagall 1:12.3; Al Fetsch, Charlie Daly, Roice Fulleton 1:18.

Cloverleaf barrel, 12 and under—Sharon Bunch 14; Diana Fulleton 14.1; Bobby Beamer 14.7; Terri Roberts 15.2. 13 and older—Janice Roberts, 12.4; Clyde Nobles Sr 13.2; Ralph Beamer 12.6; Roice Fulleton 12.9.

Bat relay, open—C J Nobles Sr, Clyde Nobles Jr, Sammy Nobles 1:26; Charley Daly, Roice Fulleton, Al Fetsch 1:30.07; Bill Smethurst, Kite and Bill Healy 1:31.2; Cornett Green, Ralph Beamer, Bruce Lindsay 1:32.3.

Scurry open—Sammy Nobles 11.5; Clyde Nobles 11.7; Roger Bounds 12; Agnes Montgomery 12; Bruce Lindsay 13.8.

Figure eight open—Evelyn Brown 17.3; C J Nobles 17.8; Charley Daly 18; Bill Healy 18.2.

The Sack hop—we had three entries and two were disqualified but Bobbie Hutchins brought home second place.

Musical ropes—Kite Healy got 4th while Sammy, C J and Clyde Nobles took the top spots.

The Sage Riders are a good club and we had a lot of fun even though we took a clubbing. Someone has to win and when

## ROCK HOUND'S CORNER

By JOHN NEWMAN

Lest we forget this coming Saturday is meeting night—and this you don't want to miss.

Bring along your extra change, also a stone or two that will sell for more than you will take for it—the club needs the extra money and the bidding will start at your price. When it comes to your stone, as in cards, you deal what you feel luckiest at. Remember it is your stone till it is sold and should you become more attached to it in the selling process you can always bid it in if you have brought along enough money.

This is a bit late, but you could likely still get a sample on display at the jewelry store. I am sure Ran would find room for it in the display he has been showing in his window all week. Stop and have a look—they are only a few of the stones that will be offered, polished and unpolished. Don't fail to come and if you don't have a stone to bring, remember the club is more interested in the ones you take home. What to do with them? If you are not a collector they will look pretty in a fish bowl or it is convenient to have paper weights around.

This is not limited to club members—anyone interested in

the bested team gains something in knowledge and understanding, there is no loser.

## RESOLUTIONS OF SYMPATHY

It is with profound sorrow that Sans Souci Rebekah Lodge No 33 of the Independent Order of Odd Fellows adopts the following resolutions:

Whereas, the Almighty Father has seen fit to call our beloved sister Hilma M Anderson, to her eternal rest, and whereas, her presence and help will be sorely missed.

Therefore, be it resolved, that Sans Souci Rebekah Lodge No 33, in testimony of its loss and in the expression of its love,

pretty stones and not too old to have fun is welcome. If some of you have stones you would like to see inside, this is the place to get them opened.

If you live in town and don't have transportation, call president Hubert Wilson, or call 6-9695 just before meeting time at 8 pm. Make a date this Saturday, May 17 at Newman's electric shop on the Condon highway across from the flying A Motel.

draped the charter. Be it further resolved, that the deepest sympathy of the lodge be extended to the family of our departed Hilma M Anderson, and be it further resolved, that a copy of these resolutions be spread on the minutes of the lodge and that a copy be sent to the bereaved family.

Her life was no brief candle, but a splendid torch which will continue to shine brightly for all who knew her.

Even death has a wonderful mission

That it robs us of those we love it lifts our hearts from our surroundings

To long for that meeting above. No matter how great the despair Doesn't Heaven seem nearer and dearer

To know that our loved ones are there?
