TELEPHONE

If you're on the go these fine spring weekends, you won't often be far away from a phone. We install phone booths where you're most apt to need them. Last year more than 2500 new ones went up in the Pacific West. You'll find these handy booths in vacation spots and in everyday places, too. By finding out where the demand is greatest, we're able to select the locations that are most convenient for you. Near busy street corners. In hotels, drug stores, gas stations. Wherever you go, your phones away from home make your service even more valuable to you.

Next time you see a group of telephone men at work, take a good look. Bet you'll notice they're all wearing glasses. These are individually-fitted safety glasses. And they're a big help in preventing eye injuries. The glasses are made so they won't shatter even under a heavy blow. The way we look at it, our people are the biggest asset we've got. And your best guarantee of good service. So we're strong for safety around here.

Want to give out-of-town relatives a real treat? Surprise them with a phone call—and then let the youngsters chat with them. They'll be glad you called—and so will you. Besides, it's a perfect way to show children that families can be close together even when they're far apart. If you look in your phone book, you'll notice evening rates are extra low. So call tonight!
