Over The Tee Cup

By Jackie Labhart

Due to the kindness of our editor (thank goodness he's a galter) we are able to imbibe in a little chatter from the tee cup this week. As I fill this nonsensical receptacle Tuesday after ladies day, it will have to be short and to the point as the paper is out early this week, and if I don't rattle on too much Bob said he could manage to squeeze it in somewhere. So like a good drive, there will be no "hooks" or "slices", but straight down the middle information this week. (But just wait until next week.)

In the men's tournament Sunday, Lowell Gribble shot low Gross and Phil Mahoney had low net score for the day.

At our early morning (and I do mean early) ladies day competition Tuesday, Dee Gribble and I tied for low gross of 45. Jan Downen won a golf ball for having the most fours on her score; Dee and I tied again for having the most fives, and Marie McQuarrie had the most sixes.

The four finalists in our weekly handicap tournament are Dee, Hazel Mahoney, Shirley Loyd

and Cathy Collins. SOME QUICK QUIPS: Bonnie Mattoon drove five balls into the swamp, all within 10 feet of each other (and she only found one) . . . Larry Downen shot a fabulous score Saturday until the last hole (that No 9 will get you every time) . . . former Heppnerite Clarence Greenup, who plays tournament golf at the Rose City Course in Portland, gave Bill and I some expert advice Tuesday (now if we can only apply it) . . . Rita Wolff played her first golf game Tuesday and has now joined the ranks of we gregarious golfers. . . played in the foursome with Marie, ladies day and on or in her golf bag she had (besides the required equipment) 1 hat, 1 pair peddle pushers, 1 thermos of coffee, 1 jar cream, 1 jar sugar, 2 cups and 6 candy bars (boy, does she come prepared). And speaking of preparedness, I was supposed to be able to stop short this week. . . so I do.

IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

Did you like the show last Sunday? We are having our annual Hayday. All Wranglers bring your horses and enter everything you like. There will be cow riding and calf roping added to the games played last Sunday.

The concession stand will be open and you will find hamburgers, hot and cold drinks, candy and coke so if you come without your lunch you can relieve that empty feeling.

Tentative program for Sunday is cow riding, pole bending, stake race, calf roping, junior and senior; cloverleaf barrel race, musical ropes, sack race, scurry race. Judges will be Daley and O'Brien, arena director, Bill Smethurst; flagmen Bryant, Swaggart, Eubanks; timers, Thelma Smethurst, Betty Fullerton, Dimples and Archie Munkers; Mrs D Heliker, announcers, Harold Erwin and Al Fetsch. On the gate, Marion Green; parking committee, Fred Mankin and secretaries, Inez Erwin and Nadine O'Brien. These are names that come to mind easily and anyone wishing to help will be more than welcome. It is our club, lets all take an interest and get your name on the active list by volunteering to relieve during the show.

Here are the winners in the Sage Riders-Wranglers playday at Heppner, May 25: pole bending, 15 years and under—Janice Roberts 24.8, Sherri Roberts 25.9, Bobby Fetsch 26.4, Barbara Moore 26.5. Our grounds even when watered are soft which accounts for the poor time. Pole bending 16 and older—Cornett Green 25.5, Bill Healy 26.3, Clyde Nobles 26.5, George Sawyer 26.5. Those times will give you some idea what sort of competition the kids can give the grownups.

Bareback relay, three man team—Wallace Fredrickson's 1, 6.6; Sammy Nobles 1, 7.4; Pat O'Brien 1, 8.6; Ken Rogers 1, 9.8.

Cloverleaf barrel—Sherri Roberts 12.9; Sharon Bunch 13.2; Bobbie Hutchins 13.3; Diane Fullerton 14.1. Older group—Charley Daly 11.6; Clyde Nobles 11.7; Bill Healy 12.3; George Sawyer 12.8.

Bat relay, open event, three man teams—Clyde Nobles Sr 1, 39.4; Bill Healy 1, 40.3; Cornett Green 1, 42; Butch Renecky 1, 44.6.

Scurry race—Bonnie Barratt 11.4; Cornett Green 12.1; Cathy

lone News

Mr and Mrs Lloyd Howton and family and Mr and Mrs Keith Rea and son spent the weekend in Forest Grove where they attended the graduation exercises of Mrs Clinton Agee, the former Janet Howton, at the Pacific University.

Rev and Mrs Floyd Bailey attended the Congregational church state conference at Eugene last week. Dr A J Buttery of Grand Rapids, Mich was elected state superintendent of the Congregational churches of Oregon to take the place of Dr Paul Davies.

Mr and Mrs Noel Dobyns went to Forest Grove the first of the week to bring their daughter, Mrs Joseph Kallister, student at the Pacific University, home.

Mr and Mrs Elmer Thorne of Newberg are visiting at the home of his brother and sister-in-law, Mr and Mrs Cecil Thorne. Mrs Anne Smouse, Mrs Minnie Forbes of Heppner and Mrs John Osteen of Oakdale, Calif were visitors here Sunday.

Mrs Elva Cox and son of California are visiting her father, Gus Jannesson and other relatives.

Installation of officers of the American Legion Auxiliary will be held at the Legion hall Tuesday afternoon, June 3.

Mrs Charles Wilkes returned home from the Pioneer Memorial hospital where she was a patient for the past three weeks.

Mr and Mrs Harry Ring and children have moved near Heppner. Mr and Mrs Hale Hubbard and children are moving in the old parsonage on second street vacated by the Rings.

A school picnic was held at the school Friday, May 23. Races were held in the morning with Don Brostrom, Joe Hausler, Charles Hudson and Ray Heimbigner in charge. After the potluck dinner with members of the P-TA in charge, swimming was enjoyed in the pool.

The lone public library will be open Mondays and Thursdays from 3 to 5 pm during the summer months.

Range Field Day Planned June 14 At Burns Station

A new era in range management—more grass, more beef, more profit—will be previewed June 14 at the 1958 Range Field Day of the Squaw Butte-Harney Branch Experiment station, Burns.

The public is invited to the program at the experimental range 40 miles west of Burns, says W A Sawyer, station superintendent. A tour route has been set up on the range and, starting at 8 am, and throughout the day, individual cars can follow the route to visit spots of interest. Station personnel will be at each stop to explain research underway and answer questions.

Lunch will be served by ladies of the Poison Creek Grange. Easy profitable methods of growing grass instead of sagebrush will be reported by D N Hyder and F A Sneva, range conservationists at the station.

Joplin, after runoff 18; Don Robinson 21.8.

Figure 8 open—Charley Daley 18.2; Bill Healy 18.3; Roice Fullerton 18.6; Kite Healy 18.8.

Sack race, 12 and under—Dannie Jackson, Diane Fullerton, Wayne Evans, Bernard Doherty. Musical ropes—all 10 points went to the Sage Riders.

Total points, Sage Riders 48, Wranglers 52.

FOR MEMORIAL DAY there is a juggernaut double-bill at the Star Theater, show starts at 7:30 pm.

Doubling yields of crested wheat grass through proper fertilizing of range land, control of sagebrush and rabbitbrush with chemical spraying, and a new method of forecasting range production will be reviewed.

Hyder says sagebrush spraying will return \$4 for every \$1 spent if the range is managed properly for the first year or two after spraying. Correct timing of the spray will control both sagebrush and larkspur with one application.

The new Oregon Grass Seeder that has given two to three times greater survival with range-grass seedlings and higher yields will be demonstrated during the day. The seeder was designed and constructed by D E Booster, Oregon State college agricultural engineer, and is based on principles developed through Hyder and Sneva's research on reseeding methods.

Other reports based on research will include improved range management through "delayed turnout date" and better distribution of grazing, when to cut rye hay for greatest protein yield, and a discussion of adapted range grasses.

Research at the Squaw Butte-Harney Branch Experiment station is a cooperative project of the USDA agricultural research service and OSC.

Heppner OSC Student In Honor Society

"It Is Ill Jesting With The Jioner's Tools, Worse With The Doctor's"

In this "Do It Yourself Age" we now have many amateur plumbers and carpenters. Should they fail to accomplish their task, not too much harm is done, —just some spoiled materials and wasted time.

Attempting to be an amateur doctor can often cause serious harm. The wrong treatment at the beginning of sickness can give an ailment the opportunity to gain a firm foothold, making a disease difficult to cure. Be safe. Don't jest with sickness. Consult your physician quickly.
