IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

Last Saturday shavings were hauled to cover the arena and hold the dust. Stanley Doe drove one truck and hauled from Heppner Pine Mills. Ray Papineau and partner hauled from the Stud mill, Tum-A-Lum Lumber Co furnished the loader and Bruce Lindsay slung the shavings.

They turned out a mighty good job. Thanks fellows. We will have a ground fit to play on next year; if we get some spring tooting done before someone flips a cigarette on those shavings, without first putting it out.

Our next play day will be at the Don Evans ranch this coming Sunday, June 15. We will truck to the Cohn place or forks of road that leads to the Kirk-Robinson place. Unload there about 10 am and ride from there on to the ranch, arriving hungry and just in time for the eats. The hot dish is furnished by the committee, while everyone else brings a salad or a dessert dish.

Looking at the program I would say eat quick, but not too much. With cow riding, pole bending, stake race, musical ropes, clover leaf barrel race, scurry races, cowmilking, calf roping and sack race sounds like a full afternoon.

So let's all be there, if you can't find transportation for your horses contact John Newman or one of the directors Saturday evening or very early Sunday morning.

This is the last play day for this season so let us make the

most of it.
