

Boardman Has Thunder Storm Monday Morning

An early morning thunder storm which lasted for more than an hour Monday brought three-tenths of an inch of rain and cooler temperatures to Boardman. The storm struck just before 7 am with flashes of lightning and hard claps of thunder. The rain fell in less than a half hour period, but the thunder and lightning kept up until past 8 pm. Several grass fires were reportedly started by the lightning southeast of here, but were put out by the rain.

Maximum temperature Saturday and Sunday was 97 degrees both days. At 10 am Monday the thermometer read 80 above.

IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN
New members who were voted into the Wranglers at the last meeting are the Ray Dolven family. Welcome folks! Make it your

club. We haven't yet learned what the fair board is going to do about the stalls or mangers for the horse show, but we do have a judge for that event. August 5 is our next meeting, and the last one before the fair. It would be awfully nice if we could all be there. Those who haven't taken an active part could be a great help.

Mr and Mrs Oliver Creswick and family spent the Fourth weekend camping at Wallowa Lake.

*** LOSE A POUND A DAY... FOR 14 DAYS WITHOUT SUFFERING HUNGER PANGS OR LOSS OF ENERGY!**

There are really only two basic reasons for reducing . . . we need to reduce because overweight is dangerous or there is a desire to reduce so that we may look better, feel better, be more fit.

However, to reduce we must eat less (fewer calories) and when we do eat less we may feel the uncomfortable, almost painful pangs of hunger. We may also become nervous and irritable because of the lack of sufficient vitamins and minerals in a restricted diet. Now, with Kessamin Tablets, Formula #14, and the Kessamin Reducing Plan this can never happen!

SEE WHAT THE KESSAMIN REDUCING PLAN OFFERS!

1. A reducing diet (The Kessamin Booklet) prepared by a physician and a dietitian to give best possible diet.
2. Vitamins to prevent deficiencies which cause nervousness, irritability and that tired, worn-out feeling. Also supplemental minerals and iron to help prevent nutritional anemia.
3. Vitamins plus the bulk, Carboxy Methylcellulose, help normal intestinal elimination.
4. The "hunger control factor," Carboxy Methylcellulose, to reduce hunger if taken according to directions.

See your druggist. The complete Kessamin Reducing Plan is in every package of Kessamin Tablets, Formula #14.

John Cue liked to save, (or at least, wanted to) But never quite managed, (even as me and you!)

He told himself time and again "I will do it!" But paychecks were vanished before he quite knew it.

One day he was told of the plan "Firstomatic" (It makes saving planned, instead of erratic).

John went to First National, and signed a small card, remarking "The interest rate is my reward."

CHECKING SAVINGS

At once the Bank transferred a modest, small sum "To savings: With more small deposits to come."

Soon, John became happy— (in fact, he's ecstatic.) He's saving each month, and it's all automatic!

FIRSTOMATIC BANK SAVINGS PLAN

You should try Firstomatic Savings. It's the easy, sure way to save regularly, as everyone knows he should. You let the bank worry about transferring money from your checking account into your savings account at regular times, eliminating your time and trouble. Most important, Firstomatic helps you resolve to save. Ask about the Firstomatic Bank Savings Plan at your nearby First National Branch.

What Makes You The World's Best Shopper?*

* IT'S THOSE CLIPPINGS IN YOUR HAND!

It's a fact that American women are the most qualified shoppers in the world. Because of the intensity of newspaper advertising, American women have more information about more products, and so can compare value and price to get the most for their money. The largest single advertising voice in our country is the local newspaper. And what's more, take it with you when you shop. Or you can clip the ads out, as reminders to you to take advantage of the bargain you read about.
