

IN THE SADDLE . . . With The Wranglers

By JOHN NEWMAN

Our hearts being heavy with a feeling of loss, speaks well for our just departed. We should rejoice with them, that the Lord has a place prepared for him, where there is no sorrow, no tomorrow, no summers too hot or winters too cold, no sense of pain, where hunting and fishing is always good, where every horse is a beauty and gentle, the grass is always green.

We should not be impatient, when a place is prepared for us our name will be called—and may it be as it was with him, before we become a burden to those we love.

The dance Saturday night enjoyed a good crowd. Bill with the aid of Charley Daly, and Floyd Jones got everyone that came in and any that neglected to get stamped when they came in probably got took a second time if they left the hall. Those of you that experienced such, need no warning, those that haven't be sure you are branded before you leave the hall. It might save you money and ill feelings.

The floor was good, the music was good and the ladies seemed plentiful and I would say most of them paid their own way. Maybe that was the reason so many young fellows flashed so many 10 and 20's that Bill had to make an extra trip for change.

I don't know but what the girls are the smartest at that. No one can tell them who they can or can't dance with, given the opportunity. And they don't have to risk their neck with some squirrel who thinks he can drink and drive.

Next Saturday is another big dance. Let's have as good a time and as little drinking as we had

last Saturday.
Al Says thanks fellows for volunteering your help.

LEXINGTON

Mr and Mrs Don Hatfield drove to Portland Friday and on to Salem Saturday to attend the Republican State Central committee meeting. They returned by way of Redmond and Madras and spent a night with Mr and Mrs Johnson.

FREEZE FOOD AND SAVE!

Let Low-Cost PP&L Electricity
Help You Live Better For Less!

An electric food freezer means garden-fresh foods all year long for you and your family. Save money on your food budget—buy fruit and vegetables in season and freeze for use throughout the year. And a home freezer costs so little to operate with dependable low-cost PP&L electricity.

My living costs have gone up, too. But since you are working me so many more hours per month you are getting the advantage of my quantity rates. That's why today's average price per kilowatt-hour for PP&L residential electric service is 16.6% lower than in 1949.
