

### IONE School Notes

Students planning to attend Ione high school will register on September 4 and 5, it was announced today. Freshmen will register at 10 am Sept 4; sopho-

**O**F COURSE, when you buy health protection for your family, you want the best, most complete, most reliable plan your money can buy. Which one will give you the kind of protection you need?

**P**ERHAPS the best possible authority on health protection is your family doctor. He works with many health plans. And, chances are, he is one of the more than 1400 Oregon doctors who actually sponsor a plan specifically designed for Oregon families—Oregon Physicians' Service.

**S**O, ask your doctor. You can rely on his experience and judgment in helping you select the plan that's best for you. And, if he recommends OPS, remember that there's an OPS representative ready to give you full details. Don't wait—you'll be glad you asked!

## Live Better For Less—With A Freezer!

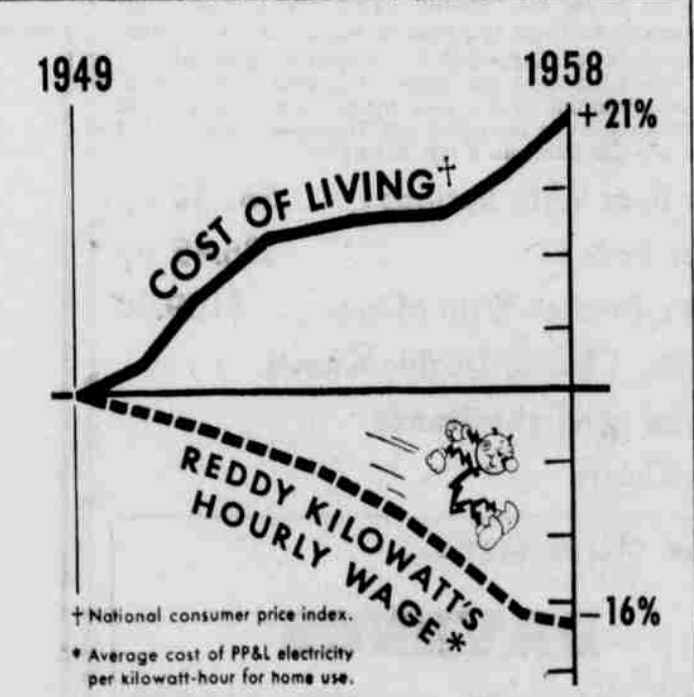

### Another Way Low-Cost PP&L Electric Service Helps You Save!

You can feed your family better and cut food bills at the same time! Save money, save work with an electric freezer in your home! Buy fresh food in quantity and freeze it for use throughout the year. Add a wonderful electric freezer to the many other electric appliances that help you live better for less.

See your electric appliance dealer today!

### PACIFIC POWER & LIGHT COMPANY

Electricity is today's biggest bargain

My living costs have gone up, too. But since you are working me so many more hours per month you are getting the advantage of my quantity rates. That's why today's average price per kilowatt-hour for PP&L residential electric service is 16.6% lower than in 1949.
