

Over The Tee Cup

By Jackie Labhart

Well, the rains finally came and our fairways certainly look greener, thanks to the precipitation and Phil Mahoney's sprinklers. And it sure seems good to get a nice clean divot for a change, instead of a blast of enveloping dust.

So much for the condition of the course—but the course has conditioned a dozen daffy dames who divoted diligently during our damsel's day Tuesday, for nearly everyone playing shot a fairly decent game. The lasses on the links were Cathy Collins, Kay Robinson, Dee Gribble, Delores McDowell, Hazel Mahoney, Cork Norene, Shirley Loyd, Gene Case, Hester Creswick, Marie McQuarrie, and Meg Murray. Cork and Dee tied for low net, Dee shooting a 40 with a 13 handicap and Cork making a 50 with a 23 handicap. Delores, Cork and Shirley tied for the most sixes on the scorecard, Dee and Hazel had the most fives, while Hester was the undisputed winner for the most sevens.

And being as how our "kitty" for prizes needed a little more "petting" we all put a penny in the cup on each hole for every

putt we took on that respective green. We collected 195 pennies at the end of the day's play and we figured the average was one and two-thirds putt for each gal, which isn't bad for a bunch of amateurs.

In one "Case" a certain woman took the fewest number of putts she ever had. (Could be she hated to part with the penny's.) And another gal almost popped her "Cork" she was so happy about the game she had shot.

During lunch at the Wishing Well we elected (or I should say railroaded) Cathy as our new secretary to replace Ruth Van Winkle who has resigned. (Since the Van Winkles have gone into the motel business, Ruth will be unable to take part in our ladies days for a while.)

Those playing in the two ball foursome Sunday were Bev Gunderson, Harlan McCurdy, Kay Robinson, Lowell Gribble, Hazel and Phil Mahoney, Dee Gribble, Tommy Glass, and Marie and Clint McQuarrie. Dee and Tommy shot low gross of 43, but Kay and Grib were right behind them with a 44.

I overheard that Bev and Harlan played a rather inconsistent game for they parred the first hole; then on No 2 Bev drove off the tee about five inches, then Harlan topped the ball and it just barely rolled down the bluff onto the fairway. Bev then knocked the evasive little missile into the creek, whereupon they picked it out of the creek with a penalty and then Harlan finally got it across the water and so on into the cup with five or six more strokes. Then on the following hole it just took them three good strokes from tee to cup for another par. The No 4 hole was a repeat of the No 2 and so forth. It just doesn't make sense.

I WONDER... why Clint McQuarrie, Harry O'Donnell and Phil Blakney didn't do so well early Tuesday morning, or so they said (could have been the thought of all we women descending upon the course at any minute)... where oh where are the lone girls... If Gene Cases' new Jacuzzi will help her golf game (at least who told us we could all try it, if we bring our own water)... who left all the "beverage" bottles at the No 5 tee.

This article you have just read is true. Only the names have not been changed to protect the innocent... for they weren't.

4-H Club News

HOOF AND HORN CLUB

"Time, The Subtle Thief of Youth"

By Phil Blakney

To have the physical joys of youth, combined with the experience of age, has always been the hoped for wish of everyone. Formerly, this dream was impossible. People just couldn't live long enough.

But now average life expectancy is up to the biblical three score and ten and steadily increasing. You can prevent time from stealing away your youth. The chief enemy of youth is sickness. Visit your physician at the first sign of any illness. He can prescribe the proper medication to help you get well quicker, before any serious damage is done.
