Ladies Day Observations: Gene Shooting Her Best Game of Golf

LADIES DAY OBSERVATIONS: Gene shooting her best game of golf, and if she told us once she told us twenty times that she parred No. 7 hole (she was just so thrilled she could hardly contain herself and said she owed it all to her Jacuzzi). . . . saw numerous two eyed, two armed, turquoise hooded golf beaters and their sure looked strange to me. . . . newcomers Maxine Gray and Donna McCurdy doing right well for beginners. . . . collecting \$2.90 on our penny each putt money making method. . . . saw "lumberjack" Marie tear down half a tree to obtain a "twig" with which to stir her coffee. . . . Cork carding a "birdy" on No. 8. . . . we all were glad to have Laurel and Doreen back with us again (and that's quite a trip from where they live).

Well this "bird" "wood" probably chatter on all day, so before our golfing editor gets "teed off" at my "putting" on and on, I had better "approach" the "green", fill my "cup" and make this "par" for now.

PLAN BAZAAR

The CWF of the Christian church are planning a food sale and bazaar on Saturday, October 18 from 2:00 to 5:00 p.m. in the basement of the church.

"OVER THE TEE CUP"

By JACKIE LABHART

Over hill, over dale, we hit the Kinzua trail; and our golf balls went rolling along. Up and down, round a tree, from a brand new kind of tee; and our golf balls went rolling along. Then we putt up hill, which took a lot of skill, and mostly our judgment was wrong. But where e'er we go, you will always know, that our spirit and courage is strong.

The "mountain climbers" making the trip to the beautiful but hilly Kinzua Country Club last week were: Hester Creswick, Cork Norene, Gene Case, Marie McQuarrie, Bonnie Mattoon, Dee Gribble, Velma Glass, Hazel Mahoney, Kay Robinson and myself.

After a scrumptious dinner at noon served in their convenient little club house, we played an invigorating 12 holes of golf. They only have a six hole course but those six are "dillys". Their links are nestled right in the mountains and pine trees are practically everywhere you look, including right in front of your ball most of the time.

Cork won a prize for carding low net score (they have the cleverest way of figuring a handicap for just one round of play), and I unconsciously shot low gross score. Dorothy Close of Kin-
