Its classic new design was awarded the Gold Medal of the Comité Français de l'Elegance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts.

NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-g geared axle.
