

Lex And Crane To Tangle Here Friday In Playoff

Jackrabbits Win Over Cove by 33 to 26 Score

The Lexington Jackrabbits ran and passed their way to a 33 to 26 win over Cove Saturday afternoon at Heppner to earn a chance to meet Crane in the 6-man district 3 football playoff. They will meet the Harney county team next Friday afternoon at 1:30 on the Heppner rodeo field.

The Lex squad started off like a house a-fire getting one touchdown in the first quarter and four more in the second to hold a commanding lead at the half of 33 to 6. All the scoring in the final two quarters was done by Cove, but they couldn't muster quite enough strength to overcome the Jackrabbits long lead.

Lee Cornellson personally accounted for four of Lex's touchdowns with Pointer getting credit for the fifth. Receiving credit for the extra points were Henderson and Doherty. Cove scorers were Fruitts, Haggerty and Pucket.

While Lexington was taking the measure of Cove, the other two sub-district contestants were fighting it out at Burns. Crane came out on top of that scramble by downing Hereford 33 to 23 and will journey to Heppner this weekend to meet the Jackrabbits here Friday afternoon for the district 3 title. It has all the makings of a first class scrap.

Whoever wins Friday's battle will then meet the winner of a playoff series, also this weekend at Dufur, between Arlington, Culver and Sisters. Where that game will be played has not yet been determined.

The Saturday Lex-Cove game was the first 6-man grid game to be played at Heppner in many years and it attracted a good crowd from this entire section of the county. The Lex squad and school officials this week expressed their appreciation to Heppner for its support at Saturday's game and gave assurance that tomorrow's clash will be just as thrilling as was the one last week.

Game time is set at 1:30 and must be set for Friday, rather than Saturday, because of prior scheduling.

4-H MEMBERS—Here are six of the many 4-H club members in the county who received recognition Saturday night at the annual achievement party. Shown are, from left, Martha Doherty, Mardine Baker, Kenneth Smouse, Carlene Rhea, Marilyn Morgan and Cheryl Lundell. A complete list of the awards appears in a separate story.

MANY AWARDS PRESENTED AT 4-H ACHIEVEMENT PARTY SATURDAY

"I have that 4-H spirit all over me," sang Morrow county 4-H youngsters at their annual 4-H achievement party which was held at the Morrow county fair pavilion at Heppner, Saturday evening, November 1, 1956. This song set the theme for some 350 excited 4-H members, and their parents who ate a bountiful "pot-buck" supper at long tables beautifully decorated with pine boughs, yellow chrysanthemums and gleaming white candles. Clever and colorful mobiles depicting the various 4-H projects were hung from the ceiling to add to the festive affair.

The program, which got underway at 8:00 p m was announced by Mrs Bob Brindle, 4-H council president. Special musical numbers included a Hawaiian dance by Sheridan Wyman and two selections by the "Quintones" of Ione. (The Quintones include Linda Halvorsen, Dalene McDonald, Diana Pettyjohn, Jean Martin and Lona White. Karen Lundell, accompanist) Nels Anderson and Esther Kirms, Morrow county extension agents, introduced the 4-H club leaders who in turn presented their club members with their club pins or completion cards. Pins are given to 4-H members when they complete their first, third, fifth and tenth years of 4-H club work. Other year's completions are denoted by small completion cards.

A surprise award of the evening was given to Mrs Walter Wright when Mrs E M Baker presented her with a 4-H pin in recognition of her work done in the planning of the 4-H building at the state fair grounds in Salem. Mrs Baker had been a recipient of this same award when she attended the state 4-H council meeting in Salem in September.

Two ten-year club pins were awarded to Mardine Baker, Ione; and Janice Beamer, Heppner. These awards are in the form of a 4-H pennant on a chain that can be worn as a necklace.

Other awards presented included: Danforth Foundation—Mardine Baker and Billy Doherty; Safeway Stores breeding livestock—Kenneth Wright; record book contest—Division I—Ages 9 through 13—Best agricultural record book—Martha Doherty; Best home economics record book—Cheryl Lundell; Best miscellaneous record book—Linda Valente.

DECORATION—Mrs William Rawlins, chairman, Ione; Mrs B J Doherty, Mrs Les Wyman, Mrs Jim Valentine, Mrs Eugene Wardwell, Mrs Al Bunch, Mrs Merritt Gray, Mrs Vic Kreimeyer, all of Heppner.

Moro Wins Over Heppner; Final Game Due Friday

By NEAL PENLAND
The Heppner High Mustangs dropped another game this last week. This time it was to Sherman High of Moro by a score of 26-19. This was the third loss of the season and the second in a row. Heppner now has a record of 5 wins and 3 losses.

In the second quarter of the game Heppner was hit hard when quarterback Larry Prock received a broken arm and from there on the Horsemen never did get a series of good consecutive drives across.

The first tally for the Horsemen came in the first period when Dick Ruhl ran 17 yards for the score. Early in the second quarter, Steve Flug plunged over from the 4 yard line and also made the extra point.

Late in the third quarter Ruhl passed to Dick Robinson for the third and final touchdown. The play went 25 yards in the air.

Again this week there were no books kept on yardage and Moro's books did not arrive in time to give any data on yardage and first downs.

Friday the Mustangs travel to Echo for the final game of the season. Game time is 2:00 p m.

Xmas Club Members To Receive Checks

A Christmas Savings Club stocking containing \$2,000,000, an all-time record high for any Oregon bank, will be distributed this week to 24,800 customers of First National bank of Oregon, according to local branch manager, J H Bedford.

The record amount represents an increase of 22 percent in Christmas club savings, the bank manager said, and is an indication of the wide acceptance of the plan to pre-pay holiday expenses.

On Friday, First National's 78 offices will mail a check to each club member for the amount saved during the past year, plus interest, in time to complete Christmas shopping before the real rush begins, the bank officer said.

Over a billion dollars will be distributed nationally this month to 16,000,000 Christmas club members in 7,000 banks in the country.

Locally, more than 200 checks will be mailed to club members who will receive approximately \$13,500.

Mrs Elizabeth Gaden of Kimbel, Nebraska, mother of Mrs Douglas Drake, is visiting at the Drake home for about three weeks.

P-TA To Observe Education Week

The Heppner P-TA will pay tribute to the schools that serve it with school visitations during National Education Week.

Following a year of unprecedented public interest in education, in which schools have been discussed, compared, evaluated, and at times scored, the general opinion among the local P-TA membership is that education has benefited intensively from this attention.

Local interest was reflected in the two to one passage of the county unit system in Tuesday's election. Jack Flug, county school superintendent, stated that there will be no change in the school status of the county until next May. A new county school board will be appointed by the county judge with a chairman from each district school board and will be ready to function within about thirty days.

Joe Stewart, Heppner school superintendent, pointed out that National Education Week should be a good time to scotch the rumor that plagues school construction around school bond election time, that 'palaces' result from modern school construction. He supplied these figures from the October 1956 NEA Journal, "Estimates indicate that during the past 20 years the average cost of construction has increased as follows: school building, 150%; all buildings, 210%; general construction, 275% and medium priced brick residences, 225%."

U S Commissioner of Education, Lawrence G Dertchek, published a report, "The Frightening Challenge of Russia's Schools" in the October 14, issue of Look that is very timely and of general interest.

Full Program Slated at County Wheat League Meet

Plans for the annual fall meeting of the Morrow County Wheat Growers Association which will be held at the Lexington Grange hall on Monday, November 10 are now complete reports N C Anderson, secretary.

Main business of the day will be recommendations from the six standing committees which will be forwarded on to the Oregon Wheat Growers League and National Association of Wheat growers whose annual meetings are scheduled for December. A special event of the day will be held for the members of the domestic wheat utilization committee when Miss Frances Barnick, home economist for the Oregon Wheat Growers League meets with that group. She will show a film to the entire group during the day.

Chairmen of the six standing committees which include production and land use, domestic wheat utilization, taxation and legislation, youth activities, federal agricultural programs and wheat disposal and marketing development, promise that there will be a lot of pertinent questions and problems posed for the wheat farmers' thinking and action during the day. Some of the questions which will be discussed during the day include problems concerned with the school reorganization bill and the rural school law; feasibility of continued efforts toward enactment of a domestic parity program; possibilities of increasing maximum payments under the Conservation Reserve program from \$5000 to \$10,000; summary of several "predicted" programs for wheat; proposed changes in commodity commission laws, a new cheat grass control and many others which are equally important to our wheat growers.

The meeting gets underway at 9:30 a m with a door prize drawing. Additional prizes will be presented during the day. The Lexington Grange ladies will serve lunch at noon with the Morrow County Wheat Growers Association as host. All wheat growers and others interested in participating in this important fall meeting are urged to attend.
