## Hepner High School SCOOP

By CAROLYN McDANIEL  
During the week of November 9 to 15, American Education Week was observed in the Hepner school system, by parents visiting in their children's classrooms. In the high school a contest between the classes was sponsored by the student council. The class bringing the largest number of visitors to school would win a first prize of \$7.50, second prize, \$5.00 and third, \$2.50. The seniors were the winners of the \$7.50. Coming in second was the Sophomore class. The third prize winners were the Juniors.

The autumn band festival, which was held in Hepner on Friday, November 14, was a great deal of work for the par-

ticipating band members, but presented an evening of enjoyable entertainment to those attending the concert. Participants from Boardman, Echo, Stanfield, Ione, and Condon congregated in the gym for a full afternoon of practicing for the massed band. Also featured on the program was a guest soloist, Wilbur Jensen. Mr Jensen, who is now attending Lewis and Clark college, played two trumpet solos "Csardas" and "Body and Soul". Guest concert director was Russell Larsen, who is the superintendent of music in the Walla Walla public schools.

A student body meeting was held on November 12. The main point discussed was the proposed revision of the Hepner high school constitution. Four years ago a new constitution was drawn up, but now this old constitution doesn't cover or meet many of the problems that confront the present HHS student government. A committee consisting of a representative from each of the four classes was appointed to start work on the revision.

On Tuesday, November 18, a National Assembly, presented Dr No-Yong Park, who spoke about far east affairs. Dr Park related various incidents of Asia and the Orient and tried to explain some of the differences between the people of these countries and we Americans. Dr Park also stressed that "Racial prejudice has been Uncle Sam's Achilles heel," meaning that it is our country's greatest weakness. He said that he thought that "Governor Faubus is equal to 1 million communist soldiers fighting for the communist cause." The amount of propaganda that was drawn from the Arkansas incidents by the Communists was tremendous, Dr Park said. The speech was very interesting, and provoked a great deal of thought by the students.

Mr and Mrs Truman Messenger, Sr, of Mitchell visited several days last week at the home of Messenger's father and stepmother, Mr and Mrs Elmer Messenger. They also visited Mrs Messenger's brothers-in-law and sisters, Mr and Mrs Claud Coats and Mr and Mrs Zearl Gillespie. Saturday the four Messengers went to Vancouver, Wash to attend the wedding of Clifford Sharp and Nancy Richardson. The groom is the son of Mr and Mrs Edwin Sharp of Vancouver, son-in-law and daughter of Elmer Messenger.

Mrs Guy Ferguson and Mrs Elmer Messenger were hostesses for the Boardman Garden club Monday evening at the home of Mrs Leo Potts. Guests were Mrs Don Downey, Mrs Arnold Hoffman and Mrs Myron Watts. Roll call was answered by giving the name of a fall bulb.

Along with the study of herbs which the club is doing for several months, Mrs Ferguson and Mrs Messenger served an interesting supper seasoned with different herbs. This included weiners smothered in garlic butter, sauer kraut with both celery seed and caraway seed, clear chicken broth with Oregon dumplings, garlic toast sticks, and for dessert condamon cookies and whipped cream.

The next meeting will be a Christmas party for members and their families, with exchange gifts, to be at the Grange hall, Dec 15 at 8 p m. Committees include: entertainment, Mrs Rollin Bishop; decorations, Mrs Glen Carpenter; gifts, Mrs Earl Briggs; refreshments, Mrs Grace Macomber.

For the January meeting the club planned to have a discussion on fertilizers and pest control.

Walter Hayes has returned home from St Vincent's hospital in Portland after being there more than three weeks following surgery on his foot.

### "Send Away" Gloomy Fears"

By Phil Blakney  
In ancient days, as soon as people became sick, most of them immediately gave up hope and prepared for the end. Positive cures were almost unknown. One really had to be very lucky to recover.

Nowadays we have many medicines that can be depended upon to give positive help. Physicians know more about the cause of most diseases. They prescribe from the thousands of different drugs pharmacists stock, the one that will help most. They are no longer restricted to the few they can carry in their bag or office. Do not fear any sickness, just visit your physician quickly.

YOUR PHYSICIAN CAN PHONE 6-9962 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

## Four big reasons why FORD IS OUTSELLING ALL OTHER '59 CARS

AT THE BRUSSELS WORLD'S FAIR, the '59 Fords were awarded the Gold Medal for handsome new styling elegance by the Comité Français de l'Elegance.

The world's best-selling car is the car with Thunderbird elegance

In the greatest styling decision of the year, the American public has already shown a clear preference for the new Fords. Ford sales are way ahead of all competition. Why? One reason is the classic simplicity of their Thunderbird-inspired design—clean, crisp lines that are pure automobile! And Fords are built for people—to sit in, to drive, to ride in—with comfort.

ANYONE CAN FIT IN A FORD: Our cars are built for people—full-size people who want space to stretch out. And all passengers ride in deep-cushion comfort.

The car in hottest demand across the land has greater roominess and comfort

Thousands of customers have bought the new Ford over all competition for another compelling reason—it's a true six-passenger car. (The only four-passenger car we recommend is the Thunderbird!) All six Ford passengers get plenty of every kind of room—from leg and head to elbow and hip. Rear seat passengers don't feel like they're riding with their feet in a bucket!

YOU'LL BE THANKFUL EVERY TANKFUL if you buy the new Ford, for you'll save up to a dollar a tankful with new engines that run superbly on regular gas.

The No. 1 car in sales saves money on gas, on oil, on maintenance bills

A new Ford will save you up to 5¢ a gallon on gas. That's because both standard engines—Six or Thunderbird V-8—thrive on regular gas. And Ford saves on oil, too, with a Full-Flow Oil Filter as standard equipment. Drive 4000 miles between oil changes! And you can forget about waxing your car. Ford's Diamond Lustre Finish stays gleaming bright without waxing—ever!

THE FAMOUS FORD LOW PRICES have already made a hit, because only in Fords will you find value and beauty coming together at down-to-earth prices!

The most popular American car is priced as much as \$102.75 lower

Ford costs you less right down the line than the competition. Compare price tags and you'll see that the manufacturer's suggested retail price of a Ford, equipped with radio, heater and automatic transmission, is as much as \$102.75 less than the major competition! And on an air-conditioned car, you can save up to \$219.85. So compare and save on a 1959 Ford!
