

Heppner High School SCOOP

CAROLYN McDANIEL date of the basketball game has been set as December 9 and it will be held at the gymnasium. Each participant will play for a half year. Heppner has drawn Matilla Vikings as their first opponents. The cheerleaders hope to see as many as possible at the jamboree as an award is given for the best cheering section. A bus

is being taken to the jamboree and anyone wishing to go may do so if he signs up in advance. Townspeople are also urged to attend and support the team. Clint Agge, who is this year's basketball coach, recently started practice with the squad. The whole team has high hopes for a good season, and coach Agee is particularly optimistic about the team's chances. Heppner will meet Helix here, on its own floor, for the season's first official game on December 5. Quill and Scroll and the National Honor Society combined their clubs recently and formed

one single club. This was done because of the small membership of the two groups. It was decided that the club's functions would be the same, but officers would remain separate in each group. Carol K Anderson was chosen as president of the National Honor Society and Carolyn McDaniel was selected president of the Quill and Scroll. On Tuesday, November 25, the club met and elected the remaining officers of the National Honor Society. Those elected were: Steve van Flug, vice president, and Roseann Ayers, secretary-treasurer. Plans were also made to

have a Christmas-New Year entertainment for the nursing home patients. Future Homemakers of America, under the supervision of Mrs. Homer Hager, sponsored a dance on Friday, November 21. The dance was given in honor of the football squad, and all team members and their dates were admitted free. Wilma Bothwell was crowned queen of the dance, and king was Stuart Gribble. Initiation and installation of new members and officers was held at the monthly meeting of the F B L A on Wednesday, November 19. The Chamber of Commerce members were guests of the Future Business Leaders during the meeting, and also for the tasty refreshments served after the installation and initiation ceremonies. For their next project, F B L A'ers will string boughs for the downtown Christmas decorations. Each year members rise early on some Saturday and work several hours to prepare these decorations. This year work will be done on November 29. Joe Stewart, Heppner high school superintendent, was recently in the hospital and underwent minor surgery. Mr. Stewart will return to school on Wednesday, November 26. After being released from the hospital, he attended the Northwest drive-in conference at Spokane, Washington. An all out campaign to sell as many 1959 annuals as possible is being launched by the Mustang staff. A contest between the 4 high school classes began on Monday, November 24 and will continue until December 19. The class selling the most annuals will have their name engraved on annual plaque. A prize of \$3.00 will be awarded to the person making the most sales. Second prize is \$2.00. Thanksgiving vacation will begin officially when school is out on Wednesday, November 26. Students will then enjoy a nice four day weekend then return to school on Monday, December 1.
