Heppner High School SCOOP

By CAROLYN McDANIEL

After the game with Helix the juniors sponsored a very successful dance which began right after the conclusion of the game and lasted until 12:00. Admission was free and a good many HHS'ers attended. Members of the Helix basketball team and cheering section were also invited to attend. During an intermission refreshments were served. The cheerleaders gave the townspeople and students who did not go to the jamboree a chance to see their new outfits. Although Ione was the winner of the cheerleading trophy at the jamboree, Heppner cheerleaders feel they can steadily improve and can be much better by the middle of the season. To work toward this goal they are figuring out new routines with the pep band and are preparing a Handbook of Yells for the cheering section.

Heppner's delegate to the FFA speech contest at Stanfield on December 5, was Clifford Green. Nine schools participated in the contest. Clifford spoke on the topic "What is Ahead for Farm Boys."
