Non-Surgical Method Cures Hemorrhoids Painlessly

A relatively painless, non-surgical method of treating hemorrhoids (piles) is working therapeutic miracles for thousands who suffer from rectal and colon disorders.

A recently developed electronic treatment is proving more effective than surgery, with none of the after effects of surgery.

The relatively new technique requires no hospitalization or confinement. Patients show marked improvement almost immediately, and uncomplicated cases can be frequently corrected in as little as 10 days.

Further information without obligation may be obtained by writing the Dean Clinic, Chiropractic Physicians, 2026 N. E. Sandy Blvd., Portland 12, Oregon.
