

Mustangs Take Two From St Joe

By NEAL PENLAND

Heppner took two games over the weekend from St Joseph of Pendleton. On Friday night the Mustangs squeezed by 55-53 at Pendleton and on Saturday night on the home court took a 48-40 game.

Friday night the game took off at a good pace but in the second quarter the Mustangs really settled down and came up with a 25-16 half time score. Again in the third period they racked up more points but in the fourth quarter Heppner coasted while St Joe played a better game.

Dick Ruhl took the initiative for Heppner Friday night. He set up plays, was high scorer and played a superlative defense. Along with Ruhl on defense were Dick Robison and Bob Huffman.

Saturday night on these home court the boys played better ball than the night before. They really started at a fast pace and at the end of the first quarter Heppner led 12-3.

All through the game Heppner was "on". In the fourth quarter, St Joe came to life but too late to beat the Mustangs.

Again on defense and offense Ruhl and Robison showed top.

Next weekend Heppner travels to Echo on Friday night and on Saturday night is back on the home court.

Lex OSC Student On Honor Roll

OREGON STATE COLLEGE—James C. Baldwin of Lexington is listed on the fall term scholastic honor roll released by Oregon State College.

To be eligible for honor roll listing, students must make at least a B plus average for the term.

Baldwin is a senior in the school of education.

UNIT TO MEET

The Heppner extension unit will meet at the home of Mrs Ray Drake Tuesday, Jan 13 at 1:30 p. m. Mrs Douglas Drake and Mrs Clive Huston will be project leaders for "Know Your Oregon."

All members are urged to be present.

Phone Company Issues New Directory

A new Heppner telephone directory featuring the Pendleton Round-up on its cover arrived by mail this week at the homes of telephone users in the area. Also included are listings for Ione and Lexington.

D A Short, the company's manager, said copies of the new telephone book went to the post office December 27.

A scene from the Indian Village is the cover picture this year. It's printed in blue tones. At the bottom of the cover is a sketch of the Oregon Pioneer statue atop the state Capitol at Salem and a reminder of the centennial of statehood in 1959.

Short suggested telephone users dispose of the old directories promptly after removing number lists or any valuable items that might have been placed in them for safekeeping.

In addition to the Heppner, Ione and Lexington numbers, the new directories contain alphabetical sections for Hermiston, Umatilla, Echo, Stanfield, Irrigon, Pendleton, Milton-Freewater, Athena and Weston.

HOSPITAL NEWS

New Arrivals—To Mr and Mrs Delmer Jordan, Heppner, a 7 lb 6 oz girl born Dec 31, named Kim Marie. To Mr and Mrs DeWayne Higbee, Spray, a 6 lb 9 oz girl born Dec 31, named Carol Ann. To Mr and Mrs Joe Hausler, Ione, a 9 lb 7 oz girl born Jan 2, named Robin Martina. To Mr and Mrs Boyd Sigbee, Heppner, a 6 lb girl born Jan 6, named Charlotte Starlene. To Mr and Mrs Leon Reed, Heppner, a 7 lb 3 oz girl born Jan 6, named Kathy Lynn.

RHEA CREEK GRANGE

The regular meeting of the Rhea Creek Grange will be Sunday afternoon, Jan 11, instead of the regular second Friday. A potluck dinner at 1 p. m. will begin the meeting.

NEW TB CASES POINT UP NEED FOR SUPPORT OF CHRISTMAS SEAL SALE

More new cases of TB were found in Oregon in 1958 than in 1957, pointing up the continuing necessity of supporting the fight against the disease. The sale of Christmas seals finances much of the case-finding and research on TB.

Morrow county residents who have not yet made their donations are urged to contribute to the local Christmas seal sale chairmen, who are Mrs Gary Tullis, Ione; Mrs Randy Lott, Lexington; Mrs Ruth Coy, Irrigon; Mrs Margaret Kuhn, Boardman; and Mrs L E Dick, Jr, Heppner.

Since most of the money received from the seal sale remains in Morrow county many benefits are received locally. This year a cone was purchased for the X-ray unit in the Pioneer Memorial hospital which is used for TB chest X-rays, to pinpoint the area exposed to the X-ray. The X-ray service is used by approximately 250 people a year, another service to Morrow county people financed through the sale of seals.

Mrs Velma Glass has distributed TB literature to schools in the county to be used in connection with health classes. The pamphlets are attractively written and illustrated, with different booklets for various grade

levels through high school. The cost of testing material and the testing program are yet another expense borne by the seal sale fund.

Although the number of new cases reported each year in the state remains fairly constant, new treatment methods are reducing the number of months necessary to arrest the disease. For this reason, the number of cases being treated in the state tuberculosis hospitals is smaller than it was only a few years ago. Finding more victims in the early stages of the disease also shortens their stay in the hospital.

Since TB is merely arrested and not cured, continuing vigilance on the part of those who have had it is necessary. They and members of their families also must be tested occasionally to insure their freedom from the disease.

TB is a giant among disease, only a good health program keeps it from infecting more people. Much of this health program is carried on by the money received from the sale of the cheery little Christmas seals. To interest girls in nursing careers to insure a continuing health program in years to come the county TB and Health Association has placed books on nursing careers in each school library.

Local News In Brief

Mrs Joe Loss and children of Arlington spent Christmas with Mr and Mrs Alfred Troedson. Mr Loss who is with the state police was on duty that day and could not be present.

Mrs C H Privett left Sunday for Anchorage, Alaska for a three weeks visit with her daughter and son-in-law, Mr and Mrs Leon Taber.

LARGER SOCIAL SECURITY CHECKS FORTHCOMING AFTER FEBRUARY

Social security payments have been increased about 7 percent, beginning with checks payable in February, 1959. In discussing this increase, Vernon A Welo of the LaGrande district office of the Social Security Administration, points out that protection for families in the form of monthly income has become more and more significant with each change in the social security law. From the early days of the act, when no family could receive more than \$80 a month, to the new maximum of \$254 a month, these provisions have grown into a realistic approach to problems a family faces when a worker retires, dies, or becomes permanently disabled.

Mr Welo emphasizes that in all planning for the years ahead, a family must face the possibility of death, long illness, or insufficient resources after retirement of the breadwinner. Social security benefits do not and should not be expected to replace, dollar for dollar, the income a worker and his family can earn, but they can and should be used as a base in planning for the future. A person who knows how much he and his family will receive if he retires, becomes disabled, or dies is a person who can plan carefully to round out that income and use these benefits as a firm foundation for his family's needs. Knowing what he can expect from social security, he should strive to add insurance, savings, investments, etc, to adequately provide for his family.

Mr Welo advises all workers to find out how much they can

expect to receive. "No two cases are identical," he states, "and your neighbor's family may receive more or less than yours. All payments are based upon the worker's average monthly earnings."

Following are some examples of typical family benefits now payable:

Present benefit \$78.50; new benefit \$84. Present family maximum \$160; new family maximum \$165.50.

Present benefit \$88.50, new benefit \$95. Present family maximum \$200, new family maximum \$206.50.

Present benefit \$108.50, new benefit \$116. Present family maximum \$200, new family maximum \$254.

In amending the provisions for family payments, the new law now provides for payments to aged dependent parents of deceased workers as well as to their widows, widowers and children. In addition, a totally disabled qualified worker's dependents may now receive monthly payments when he has reached the age of 50, instead of waiting until he is 65 as in the past.

Mr and Mrs Ambrose Chapin returned home New Year's day after a weeks visit with their daughter and son-in-law, Mr and Mrs Clayton Slyter in Seattle.

Mr and Mrs Joe Hughes, Bill Hughes, Tom Hughes, Mrs Anne McNamee, James P McNamee and Mr and Mrs W E Hughes were in Pendleton Friday to attend the funeral of William J Hughes.
