Bud Says!

The new year 1959 is under way in good style. There is an optimistic note everywhere about the year being a prosperous one. We here in Oregon have a big job to do in order to entertain all of our Centennial visitors. Make no mistake about it, there is going to be a great number of them. They are going to leave a lot of money in the state which will effect our economy. How about you—clean up, paint up, make Oregon a show place. Go to your local Centennial Group, they can use some help.

Why not do something different this year? Ask to work on a community project that interests you. You will meet a lot of new friends and will expand your own outlook toward the community. Try it!

Recent research reports that parenthood is hereditary. If your parents didn't have children the chances are you won't either.

We of Ford's Tire Service always have a lot of good bargain tires in all types of passenger, truck and tractor tires. Hot items this week are good MTO 750/20 and 825/20. Ask us.

"14" inch mud and snow re-caps have been scarce due to the lack of casings but we now have a good supply of them. Don't delay, see us today.

"Then there were the two guys who were stranded on a desert island when a bottle washed ashore. In it was a note that almost drove them nuts. It was a message from two gals stranded on a desert island."

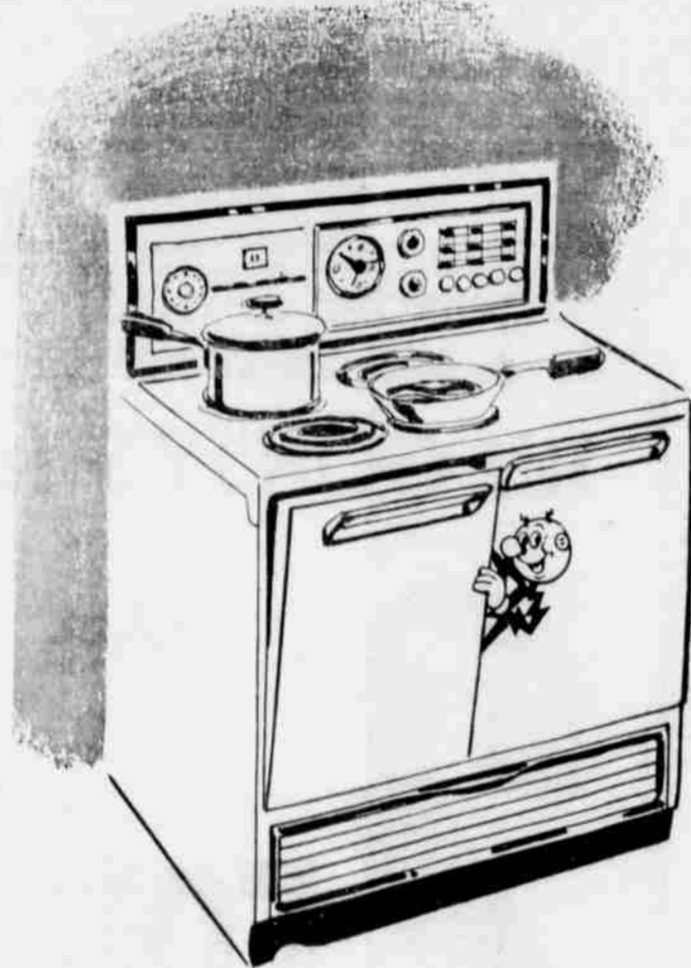

One of those things that can drive you nuts is to go out in the morning and have a battery that won't turn your starter over. Don't get caught with your battery down. Remember we allow you \$5 trade in on your old battery. When you buy one of those Power-Packed-Standard Batteries. Come on in!

People want a top quality tire at a reasonable price. That's why we handle the General tire, America's top quality tire and prices you can afford to pay. We give top trade in value. Top trade in value for your used tires and best of all TERMS according to your income. See us for all of your tire needs.
