

## Heppner High School SCOOP

By CAROLYN McDANIEL

The junior class added \$125 to their class treasury with the receipts from their play, "The Bus Stops Here." The money will go towards the junior-senior banquet and prom, which will be on April 31 and May 1 respectively. A new money making project is being started to add more funds for the banquet and prom. This is the sale of candy. Several hundred cans of butter bits have been purchased and students started selling them last week.

The Four Horsemen, a high school quartet, consisting of Renn Harris, Bob Huffman, Sam Green and Stuart Gribble appeared on Teen Time last Tuesday. Teen Time is a talent show on KEPR-TV, Pasco, and has also featured a HHS pantomime group. The Offbeats, with Sheryl Harris, Sharon Keithley, Sandra Jones and Judy Cochell appeared on the program a week before the Four Horsemen. The show provides an excellent opportunity for teen agers talent to be presented to the public.

At their regular evening meeting the Future Business Leaders of America elected their officers for the 1959-60 school year. Officers are: president, Connie Anderson; vice-president, Mary Johnston; secretary, Doris Morris; treasurer, Donald Craber; reporter, Francine Moyer. Selection of candidates for the state FBLA convention was also a part of the regular business. Senior delegates are Carole Anne Anderson, local president; Carolyn McDaniel, candidate for Miss FBLA; Susie McQuarrie, Jan Driscoll; Nancy Slocum; Rhoda Ott; and Cella Boulden. Delegates from

the junior class are Connie Anderson, Carol K Anderson, Carolyn Carter, and Mary Johnston. Sophomore delegates are Neal Penland, Donald Craber, Marlene Griffin and Francine Moyer. So far, no candidate for the state spelling contest has been selected.

Along the sports line, intramurals are going quite well. Sophomores are ahead, with the seniors and the freshmen close behind. However, seniors are predicting that they'll soon take the lead when the horseshoe games come up on the list. HHS will play host for visiting teams who will participate in the track meet here, Saturday, April 11. Events will begin at 1:00.

The P-TA minstrel show will be presented on two nights—April 10 and 11. Members of the Heppner high school chorus and dance band will be a part of the show. The Four Horsemen and the Offbeats will be featured also.

The 4-H Empire Builders club sponsored a showing of "Grassroot Ambassadors" to the HHS student body last week. The film showed examples of the 4-H Youth exchange program and explained some of its purposes.

New student body officers and cheerleaders for the 1959-60 school year will be elected during the first part of May. So far, no parties have been formed, but plans for candidates are in the air.

The 1959 band carnival will be held April 25. King and Queen candidates from each of the four classes and the grade school will be nominated, and the winners will be crowned at the carnival. The usual fun and games will be at the carnival and everyone is urged to come.

### Fashion Expert To Present Style Show Here Monday

There is something about spring that sparks the imagination, makes one feel gay, exciting, young, stimulating . . . says Miss Nadine Thompson, Simplicity Pattern Company's young fashion 4-H club stylist. Miss Thompson will be here in Heppner to present Simplicity's "Fashion Out of This World for the Modern Miss" Monday, April 13 at 8:00 P M at the multipurpose room of the Heppner school.

Miss Thompson continues to say that spring gives us a lift, a stimulus to create, a desire to do something new. She feels that clever 4-H club members will be inspired to sew for spring when they see this delightful collection of clothes in the most eye-appealing colors, the latest fashions for teens and sub-teens . . . all in fabrics that are irresistible.

As exciting as spring itself is Miss Thompson's varied career in the fashion world. Her life has been an interesting one—travel, study, and work. She has lived in five states, traveled in 20 countries, become acquainted with the cultural heritage and present-day values of many people. Miss Thompson received her B S in clothing and textiles from Syhacuse University and pursued her studies further at the American University of Beirut, Lebanon.

During her stay in Lebanon, she became intrigued with the costumes and textiles of the Near East, thus adding another facet to her knowledge of fashion and clothing.

A former enthusiastic 4-H club member in Colorado for six years, Miss Thompson actively participated in the program and averaged five or six projects a year. For four years she appeared in three county and one state dress revue, and became a 4-H club national winner in gardening.

Traveling throughout the country for her company, presenting fashion shows to 4-H club groups, and giving demonstrations on good grooming and modeling is a natural culmination of Miss Thompson's broad background. She is especially thrilled to be able to meet you and speak to you about "Fashions Out of This World for the Modern Miss."

Local 4-H girls will act as models for the garments Miss Thompson is bringing, according to Miss Esther Kirmis, county

extension agent. The 18 different costumes they will model come directly from the Simplicity pattern book.

The public is invited to see this delightful collection of clothes in the most eye-appealing colors, and the latest fashions for teens and sub-teens in irresistible fabrics.

Miss Thompson will be accompanied by Miss Ruth Brasher, state 4-H club agent.
