If anyone passed by the little park behind the Morrow county courthouse on April 22, I'm sure they thought it was just another picnic. But this one was different—it was a picnic with a purpose!

The picnic was a project training meeting for the Morrow county extension units on barbecuing—their unit lesson for May.

With the generous assistance of D E Hudson, courthouse caretaker, we set up shop for the day by the spacious fireplace (which even had running water).

A manner of charcoal burners were used, varying from the courthouse wheelbarrow and a 5 gallon grease pail up to an elaborate grill complete with hood and an electrically turned spit. Funny part, each served equally well.

The 18 project leaders were divided into four groups to prepare an outdoor meal that consisted of barbecued chicken, shish kabobs, foil grilled vegetables and fruit, ala pilaf, toasted garlic bread, fruit dumplings and campfire coffee.

The Oregon extension department has printed a new pamphlet called "Outdoor Cookery for the Family" which is excellent. It includes information on equipment for outdoor cooking, meat buying guide, tips on barbecuing meat, suggested menus, recipes, and outdoor cookery for large groups. These bulletins will be distributed to all the unit members at their May lesson. We have a few extra copies at the county agent's office so if you'd like one just call in.

More and more families are discovering the enjoyment and pleasure of cooking food outdoors. It fits with our pattern of living in Oregon, doesn't it?

Project leaders who attended included: Myra Skoubo and Gerry Morlan, Boardman; Margaret Blake, Marie Martin and Pat Brindle, Lena; Millie Evans and Dimple Munkers, Lexington; Shirley Palmer, Mary Campbell, Marilyn Bergstrom, Rhea Creek; Joanne Warren and Mary Holtz, Lone; Lucille Coleman and Isabelle Jones, Irrigon; Barbara Witherrite and Mrs Wm Doherty, Pine City; and Bebe Munkers and Mabel Heath, Heppner.

Mrs John Bergstrom, Mrs W A Ruggles, Mrs Anne Smouse, Mrs Jasper Myers and myself went calling over to Umatilla county last Saturday, April 25. The occasion was the Umatilla Home-maker's Festival held in the multi-purpose room of the Hawthorne school in Pendleton.

The Centennial theme prevailed with many of the women appearing in sunbonnets and long dresses. The program was under the direction of Miss Frances Harvey, Umatilla county extension agent.

Speaker for the occasion was Dr Frank B Bennett, president of Eastern Oregon College, La Grande. His talk entitled, "Lest we Forget," outlined the progress made in homemaking since pioneers came across the plains to Oregon. He stressed, however, that responsibilities to our family are greater now than ever, because of the speeded-up pace of living. He quoted Sam Levenson's (well known TV personality) 10 commandments for parents. I think they bear repeating:
