The Girls League of the high school honored the mothers of high school students with a tea Monday afternoon. The program consisted of the welcome by Mary Emert, president of the League; a reading by Linda Halvorsen; a vocal solo by Lona White accompanied on the piano by Mrs Lloyd Howton and on the violin by Mrs Kenneth Smouse; a song, the revised version of "Let Me Call You Sweetheart" by the sophomore girls and the closing by Brenda Townsend. Mrs Delbert Emert and Mrs Hershall Townsend served the coffee and punch. Each mother was presented with a corsage.

grounds, under the sponsorship of the county extension office.

Actual demonstrations were given by Miss Linda Helmbigner, Ione on "care of the shoes"; "safe use of a knife" by N C Anderson, and "ways with cottage cheese" — a team demonstration — by Miss Frances Harvey, Umatilla county extension agent and Miss Esther Kirmis, Morrow county extension agent.

The PNW bulletin, "4-H Demonstrations" was reviewed with the boys and girls and then the group was divided into buzz groups to give suggestions for 4-H demonstrations for their own club meetings and the Morrow county fair.

Miss Harvey, Pendleton, met with the clothing group; Miss Esther Kirmis, met with the foods group; and N C Anderson, led the discussion in the agricultural group.

The purpose of this meeting was to spark enthusiasm in the 4-H demonstration program of the county. Members were asked to select a topic to demonstrate and outline important points of the presentation. A practice day will be scheduled sometime in June for 4-H members to present their demonstration for criticism and help.

"We hope to see a bigger 4-H demonstration program at the Fair this fall," stated Miss Kirmis, "We have a young potential coming up."
