

Over The Tee Cup

By Jackie Labhart

Your tee cup won't be diluted with idle chatter this week as I have so much golfing news that some of it has approached the green . . . saucer. (Only hope your golfing editor will chip it back into this cup.)

Our ladies day Tuesday, was certainly a success weather-wise, and twelve loquacious Jasses were on the course to join in the competition. Those playing were Bonnie Mattoon, Kay An-

derston, Roberta Dougherty, Sally Cohn, Cork Norene, Gladys Snider, Marie McQuarrie, Lucille Peck, Dee Gribble, Vi Lanham, Hazel Mahoney and myself. New golf balls were awarded to Lucille for the longest drive on no 1, Bonnie for having the least number of putts on the nine holes, and I had low gross score for the day. Just for fun we had a little chipping contest on no 8 and

Sally and Lucille approached closest to the pin. Also we added the combined scores on holes 5, 7, and 8, and Hazel and I tied with 15 strokes.

As we finished the nefarious nine, Ruth Van Winkle, Cathy Collins, Suzanne Jepson and Harriet Hall arrived to make their rounds on the links.

Tee off time for next ladies day will be between 9:00 and 9:30.

LADIES DAY LAUGHS: Bonnie attributing all her putting success to her new hat . . . Hazel missing three different putts by a hairs breadth (and that would have been all she needed to blow them in) . . . Gladys losing a brand new ball practically right in plain sight (in fact she still couldn't believe it wasn't there so she went back and looked again after we finished playing).

FOR MEN ONLY: Clint McQuarrie and Conley Lanham are co-chairmen for men's activities during the May and June; and they are starting the ball rolling this Sunday with a nine hole tournament. Tee off time will be at 9:00 and everyone will tee off at the same time (starting on all nine holes if necessary). Prizes will be given for low gross score, lowest combined scores on no 6 and no 8, and the longest drive on no 6. Sounds like great fun, so all you men get your lawns mowed before tee time. (And I don't mean four in the afternoon.)

Sunday afternoon a two-ball foursome is planned for both men and women and tee off time is scheduled for 2:00. All golfers plan to attend, for there will be prizes and "special refreshments."

May 24 the Willow Creek Country Club will host the golfers from Kinzua. An early morning breakfast is planned at the Wishing Well (thanks to the kind cooperation of Herb Hamilton) and a day of golf to follow. I will give you more definite information in tee cups to follow.

I WONDER: . . . if Clint McQuarrie, Phil Mahoney, Ed Bennett and Grib set some sort of course record for a foursome, last week, for on the no 3 hole they had two pars and two birdies . . . why the lone gal golfers don't join us for our ladies days . . .

SEE YOUR QUALITY BUICK DEALER...AND Get inside the clean winged beauty of Buick '59

Along with the most talked about style on the road today goes performance new even to owners of previous Buicks . . . and too great for you to miss.

Buick '59 is livelier yet smoother, more powerful yet thrifter, as any previous Buick owner will tell you. And credit goes to the turbine smoothness of Buick transmissions, plus the new responsiveness of Buick "Wildcat" engines.

At the wheel, too, you'll find new handling ease and finned-brake sureness that owners put high on

their "most liked" list. But that's far from all these owners tell us. They talk about new operating economy from the most efficient power plant on the road today. About quality of finish and detail, and of quietness that even beats the best of Buick heretofore. They speak of reliability . . . and they speak of the pure pleasure of owning a Buick '59 . . . in ways that warm the heart.

But the best spokesman for Buick '59—and what it can do for you—is a Buick itself. Why not go to your Buick dealer and get the inside story, today?

TO OWNERS OF CARS IN "THE LEADING LOW-PRICED 3" . . . You'll be surprised how easily you can own a Buick LeSabre instead! Be sure to ask your Buick Dealer about "THE MOST IMPORTANT \$200 IN THE AUTOMOBILE WORLD!"
