

Gelatine Salads Ring A Reception

The double-ring marriage ceremony suggests the decor of the wedding reception table. Here, the ring artistry is achieved by using unflavored gelatine to mold two kinds of chicken salad. One ring combines diced cooked chicken with pineapple and celery in a consommé base. The second one has chicken, green pepper and celery in a creamy base. The chicken and other ingredients are fully savored because unflavored gelatine offers no competing taste.

Chicken and Pineapple Ring

2 envelopes unflavored gelatine 1 can (14 ounces) crushed pineapple
 2 1/2 cups cold chicken stock, divided 3 cups diced cooked chicken
 1/4 teaspoon salt 1/2 cup diced celery

Sprinkle gelatine on 1 cup of the cold chicken stock in saucepan to soften. Place over low heat; stir constantly until gelatine is dissolved. Remove from heat; stir in remaining 1 1/2 cups stock, salt, lemon juice and pineapple. Chill until the consistency of unbeaten egg white. Stir in chicken and celery. Turn into a 5-cup ring mold; chill until firm. Unmold; fill center with salad greens.
 Yield: 12 servings.

Chicken and Vegetable Ring

2 envelopes unflavored gelatine 1 1/2 cups mayonnaise or salad dressing
 1 1/4 cups cold chicken stock 3 cups diced cooked chicken
 1/4 teaspoon salt 1/2 cup diced green pepper
 2 tablespoons lemon juice 1 cup diced celery

Sprinkle gelatine on 1 cup of the chicken stock in saucepan to soften. Place over low heat; stir until gelatine is dissolved. Remove from heat; add remaining 1/4 cup chicken stock, salt and lemon juice. Cool; gradually stir into mayonnaise. Stir in chicken, green pepper and celery. Turn into a 5-cup ring mold; chill until firm. Unmold, fill center with salad greens.
 Yield: 12 servings.

"Captured" In A Cookie!

The exotic flavor of the South Seas is captured in these "help yourself" squares. Flaked coconut and crushed pineapple combine to make these excellent tea-time refreshments. Wrap a couple for the children's lunches, serve them for TV snacks, too.

Coconut Pineapple Squares

1/2 cup soft butter 1/2 cup sugar
 1/4 cup sugar 1 egg, well beaten
 1 1/4 cups sifted flour 1 tablespoon butter, melted
 1 cup well-drained canned crushed pineapple 1 1/2 cups flaked coconut

Mix 1/2 cup butter and 1/4 cup sugar with pastry blender or fork. Add flour and mix until crumbs are formed. Then mix thoroughly with hands until soft dough is formed. Press evenly into bottom of 9x9x2-inch pan, with about 1/2 inch extending up the sides. Prick bottom with fork. Bake in moderate oven (350° F.) 15 minutes, or until crust begins to brown. Remove from oven. Spread pineapple evenly over crust. Add 1/2 cup sugar to well-beaten egg; beat until blended. Fold in 1 tablespoon melted butter and the coconut. Spread mixture evenly over the pineapple. Return to oven and bake 20 minutes longer. Cool. Cut in 1 1/2-inch squares. Makes 3 dozen squares.

IONE NEWS

4-H members from here who are attending 4-H summer school in Corvallis this week are Kenneth Smouse Jr., Kenneth Nelson, Marilyn Morgan, Brenda Townsend, Katherine Rea, Geraldine Morgan, Roland Ekstrom, Sherry Corley. Mrs. Walter Corley went as their chaperone.
