Bids Asked For Museum-Library Building

NEW MUSEUM AND LIBRARY—Pictured is the architects sketch of the new Morrow county museum and Heppner library for which construction bids are being called. It is to be located on the Heppner city park and is to be built of concrete block, steel frame with brick veneer outside walls. It will be con-

structed on a concrete slab with cork floors and completely air conditioned. The building will be a gift to the City of Heppner and Morrow county from Mrs Amanda Duvall as a memorial to her late husband, Harry Duvall. (See adjoining story)

Multiple-Use Structure is

Gift of Resident

Bids are being asked this week for the construction of a Morrow county museum and Heppner library building which will be the gift of Mrs Amanda Duvall as a memorial to her late husband Harry Duvall. It will be located on the south end of the the Heppner city park and is expected to cost in the vicinity of \$65,000.

The 64 by 72 foot building will be built of concrete block with a brick veneer finish. The north half of the building will be occupied by the Heppner library and the south half will house a county museum. Though Mrs Duvall is donating the money for eum Commission.
