

## Pendleton Edges Local Little League All-Stars

The Willow Creek Little League closed their summer play of games with the All-Star team playing in Pendleton last Friday.

The National League of Pendleton won the game 16-9 coming out in the 5th inning to score 7 runs on one hit, three walks and five errors.

The Willow Creek all-stars stormed ahead in the third inning when Kerry Mattoon hit a grand slam home run getting six runs on four hits. The Pendleton all-stars came right back in the 4th to get six runs on four hits to take the lead, which they never relinquished.

The Willow Creek all-stars used three pitchers, Ken Smith, David Anderson and Doug Dubuque, who fanned 9, walked 5, allowed 9 hits for 16 runs. The Pendleton team got 3 home runs, two by T Harrison and one by L Pursel. Pitching for the Pendleton team were Barkham and Steidl who struck out 4, walked 5 and allowed 7 hits for 9 runs.

The Babe Ruth team still has some games scheduled. On Saturday, Aug 1 they travel to Kinzua for a return game.

Also on Saturday, Aug 1 the Farm team and Pee-Wee team will meet for their final game of the season at 6:00 p.m.

This game will give Little League managers and the parents a chance to see these two teams in action.

## Little League Names Officers

The organizational meeting for the 1960 Willow Creek Little League was held Tuesday evening at the high school cafeteria and the group named officers for the coming year. L E Dick, Jr was named president; Harlan McCurdy Jr, vice president; and Mrs William Sowell, secretary-treasurer. Del Jordan, Randall Peterson, Kenneth Keeling and Wayne Snyder were chosen on the board of directors.

The necessity of turfing and a sprinkling system and installing lights for the Little League field were the main points of discussion. Cost estimates of each are being secured. A working party was organized for removal of the fence, bleachers, etc for Saturday afternoon, Aug 1 at 1:30 and the assistance of any Little League fan and parents will be greatly appreciated.

Mrs Charles Gomillion of Athena was visiting for the day in Heppner on Monday.

## Bombing Range

Continued from Page 1  
buildings are valued at \$12,000. 58,000 acres were in private ownership at the time the range was established. Owners were paid at the rate of \$1.53 per acre, but the cost is now more than \$6.00 per acre based on the government's \$720,000 value.

With the John Day dam in, the water level on the range should raise, it was pointed out. Irrigation of this land as well as other property along the river, should greatly increase the tax value to the county. Possibility of an irrigation project would be increased by getting the land back into private ownership.

It was pointed out that industrial potential along the backwater of the dam would be increased if the property were in private hands.

Cooper emphasized that "The time is right, water resources are at hand, and the land is there. Now it is up to the people of Morrow county to decide what they want to do." Judge Peterson pointed out, also, that much of the land is suitable for agricultural purposes.

Various procedures for returning the land to private owners were discussed. Among these were for the county to take over for redistribution on a bid basis, or finding individuals who would contract with the county to purchase the land from the government with resale already arranged and money available from the individual persons and industries interested.

It was also noted that part of the land might be open to homesteading. At the present time the county receives only five percent of the income of homesteading, but efforts are being made in Washington to get this raised to 50 percent.

The possibility of receiving money for irrigation on this land from the sale of power from John Day and other dams was stressed. To take advantage of this, some type of action must be taken soon.

It was suggested that the feelings of the people of the county be taken through a series of meetings or by petitioning the county court.

Judge Peterson said another meeting will be held in the north end of the county at a date to be announced.

## HOSPITAL NEWS

New Arrivals—To Mr and Mrs Lewis White, Heppner, a 7 lb 13 boy born July 27, named Richard David. To Mr and Mrs Bill Marquardt, Lexington, a 7 lb 10 oz boy born July 29.

NEBRASKA PICNIC  
The annual Nebraska picnic will be held Aug 9 at Jantzen Beach park in Portland.

## Library Board Elects Officers

Officers were elected for the coming year at a meeting of the Heppner public library board held July 23.

Mrs Ted Smith was re-elected president, and Mrs Cornett Green was chosen vice president. Other officers include Mrs Sam Turner, secretary-treasurer; Mrs Lucy Peterson, J O Turner, Mrs Harry Dinges and Mrs Blanche Brown, trustees. Mrs Brown is also librarian.

Named on the book committee were Mrs Elmer Schmidt, Mrs P W Mahoney, Mrs Joe Stewart, Mrs Peterson, William Sowell, Mrs Dinges and Mrs Brown.

It was reported that 300 books were added to the library during the past year and that a total circulation of 7520 books was recorded for the year. Of this total, adult circulation was 3661 and juvenile 3859 which averaged 626 borrowers a month. Total use of the library was up slightly over the previous year, the report stated.

## Farm Price Trends Listed for Oregon

Following a seasonal pattern, Oregon farm prices dipped one percent last month, reports Mrs Elvira Horrell, extension agricultural economist at Oregon State College. However, farm prices in the state still ended up the highest for the month of June since 1953.

Following national trends, both crop and livestock products in Oregon turned down at mid-June, Mrs Horrell found as she studied reports from the U S department of agriculture. While livestock fell to about 4 percent under a year ago, crop prices remained some 6 percent above a year earlier.

Lower price tags on beef cattle, calves, sheep, and fresh vegetables contributed most to the drop in Oregon farm prices, Mrs Horrell said. Grain prices showed little change, while hogs, lambs, broilers, and turkeys went up a trifle.

Meanwhile, prices paid by farmers over the nation moved down a shade from May to June, but still average about one percent higher than a year ago. As a result, the ratio between prices received and prices paid by farmers, including interest, taxes, and wage rates, now stands at 81—a loss of one point for the month and 4 points below a year ago, Mrs Horrell said.

Mr and Mrs Lesta Hall of San Jose, Calif are visiting at the home of Mrs Mabel Chaffee and Mrs Ethel Zellman.

The W C Collins family returned Monday from a vacation which took them to Gresham where they visited the Walter Bergers, Delake and Cottage Grove. Mrs Collins met Mrs James Driscoll and Mr and Mrs R A Fortner of Boardman at the coast and will remain for the rest of this week.

Mrs Edith Castle and sons, Jimmy and Jerry of California visited last week at the home of her sister-in-law and husband, Mr and Mrs Archie Padberg.

FOR A GOOD TIME call 6-9278. If a woman answers don't hang up, it is Elaine giving a free ticket to SOME LIKE IT HOT to the first ten people who call and give the correct answer to a question.

Mrs Mary Carter left last Friday for her home in Portland after a visit here with her daughter and son-in-law, Dr and Mrs E K Schaffitz. She was accompanied by her grandchildren, Diane and Jimmy Schaffitz who will visit in Portland for a week.

Mrs Roy Ayers and Mrs Allen Case were in Walla Walla Friday for the day.

Mr and Mrs Roger Steiger and children of Portland are visiting for two weeks at the home of her parents, Mr and Mrs Archie Ball.

Guests for a week's visit at the home of Mr and Mrs Ted Smith were Mr and Mrs L A Graham of St Joseph, Mo. Mrs Graham is the cousin of Mrs Smith.
