

FFA Fair Winners Are Listed

The Heppner FFA chapter had the largest shop exhibit at the Morrow county fair that has ever been exhibited. The exhibit drew lots of viewers and comments.

Exhibitors and exhibits were as follows: Ned Clark, 1st place on a 12' water trough and 4th place on a welding table.

Richard Vinson, 2nd place on a culvert made from barrels, 3rd in the sophomore oxy-acetylene cutting and 3rd in the sophomore arc welding.

Tim Yackley, 2nd place on a set of cattle racks made for a bomb trailer, first on a metal show box, first on spray painting a tractor, and second in sophomore welding.

Al Osmin, first on a pickup canopy, first in junior arc welding, first in junior oxy-acetylene welding and first in junior oxy-acetylene cutting.

Cliff Green, first on his portable loading chute, third in junior arc welding and second in junior oxy-acetylene cutting.

Mike Gray, second on a feed mixer, second in junior arc welding, and second in a welding table.

Tom Hayward, third on a welding table, first and second on two anvil stands and fourth in junior arc welding.

Dick Robison, first on welding table.

Bob Fetsch, first on wooden show box, second on step ladder and fourth in freshman arc welding.

Nat Webb, first on a step ladder, and also fourth in freshman arc welding.

Kit George, freshman arc welding 3rd, freshman oxy-acetylene cutting 1st.

Don Hughes, fourth in freshman arc welding and second in freshman oxy-acetylene cutting.

Archie Ball received a second in freshman arc welding.

William Rill received a first in freshman arc welding; Bill Monagle, sophomore arc welding 1st, and second in sophomore oxy-acetylene cutting.

Jerry Anderson, first in sophomore oxy-acetylene cutting and

fourth in arc welding.

The champion shop exhibit was the portable loading chute built and shown by Cliff Green.

Livestock Exhibits

In the sheep division Kit George showed a first place Southdown ewe, Nat Webb a first place Suffolk ewe lamb and a first place Suffolk ram lamb. Bill Monagle showed a first place crossbred ewe lamb and a first place yearling ewe. Richard Vinson showed a two-year old Suffolk ram which he received a second on and he sold the ram at the sale Friday night.

Nat Bebb had the champion male and female in the sheep division.

In the beef division Jerry Anderson had a 1st place fat steer grading choice. William Rill showed a first place yearling Hereford heifer.

OSC Ready to Start 92nd Year of Work; 2 New Dorms Opened

OREGON STATE COLLEGE—Enrollment at Oregon State College is expected to reach the 8000 mark for the first time in history this fall as the 92nd year of classwork gets underway this month.

Completion of two new dormitories and a new dormitory cafeteria will assure adequate housing for students, college officials said. The first wing of the new physics-chemistry building will also be opened for some classes fall term with all floors scheduled to be completed by January.

New Student Week—a special orientation and counseling period for new freshmen and transfer students—will be September 20 to 26. Registration for both new and returning students will be

were guests at the O W Cutsforth home on Tuesday. Mr Zita was enroute to Connecticut after a summer spent with his brother and family. He met the train in Hinkle Tuesday.

Mr and Mrs Eugene Sawyer were visitors with her parents, Mr and Mrs W E McMillan, from their home in Forest Grove.

Rev and Mrs Walter Smith had as their house guests this week, Mr and Mrs Soden of Eugene, parents of Mrs Smith. All motored to John Day on Tuesday to visit a sister of Mrs Smith's.

September 25 and 26. Classes will start September 28.

Special student ticket arrangements have been made for the OSC football game with University of Southern California September 19 in Portland. Returning students will be admitted on last year's student body cards. New students will use their notice of admission slips for entrance to the game.

Saturday morning classes will be used on an increasingly broad scale this year under the long-range campus program designed to assure maximum use of classrooms. Over 200 classes are scheduled for Saturday mornings fall term.

WHEAT NEEDS NITROGEN!

FERTILIZED WHEAT

UNFERTILIZED WHEAT

Other than moisture, nitrogen is the most important factor influencing yields of wheat and other small grains. Phillips 66 Agricultural Ammonia is 82% nitrogen... more nitrogen per dollar than you can buy in any other form of commercial fertilizer.

This concentrated nitrogen fertilizer helps increase yields of heavier grain with more kernels per head and with higher protein content. Phillips 66 Agricultural Ammonia saves time because it's easy to handle and can be applied at the same time you prepare or cultivate your land. Get higher yields and bigger profits using Phillips 66 Agricultural Ammonia, the 82% nitrogen fertilizer.
