five 4-H members purchased feeder steers for their fat steer project. On Saturday of last week Russell Dolven, Billy Doherty and Kenneth Smouse selected calves from the John Graves herd while Tom and Jimmy Martin chose Hereford steers from the Alex Lindsay herd. As steer calves are brought in and weaned by ranchers, other members will select steers for their project. Last Saturday morning, I had the opportunity to serve on the Pete Pattee Memorial college scholarship committee at Condon. This committee composed of Marion Weatherford, Mrs. Mary Pattee, Marvin Maxwell and myself interviewed and reviewed records of 39 4-H members eligible for the scholarship. It was gratifying to see and hear how 4-H had developed these boys and girls and their praise of what 4-H had done for them. Their plans for college and the future varied tremendously but all had a well planned purpose in life.
