

## McEwen Buries Mustangs Friday by 32 to 6 Score

By NEAL PENLAND

Heppner's Mustangs traveled to Athena Friday to tangle with the McEwen Scotties and came out on the short end of a 32-6 score.

Co-captains Tom Driscoll and Dennis Doherty lost the toss and Heppner had to kickoff. The Mustangs held the Scotties on the first series of plays and took over the ball only to fumble it on the first play and have a Scottie pounce on it. In five plays they moved 53 yards and Fred Baker went over from the 8 yard line. Dave Hesp kicked the PAT. In the same stanza Harry Brown collided with Hesp and fumbled in the end zone but Hesp dived on the ball and added another six points for McEwen.

In the second period Baker again got loose and romped 40 yards up the middle for another score. At half time it stood 19-0.

At the beginning of the second half the Scotties kicked off but the Mustangs fumbled and McEwen again recovered. In four plays Larry Whitney stepped off 20 yards around end for another touchdown.

In the last period the Scotties pulled away and ran 33 yards for the final score with Hesp going over and also making the extra point.

Late in the last period Driscoll swept wide around left end and tramped 43 yards to go across for Heppner's one and only score. Doherty tried the PAT, but failed. The score was set up when the Mustangs defense held the Scotties on the Heppner 35. Heppner marched 65 yards in seven plays.

Top defensive men for the Mustangs were Dennis Doherty and Tom Driscoll who played a lone defensive game. On offense the team did very poorly making many mistakes throughout the game.

In net yardage McEwen had 310 to Heppner's 190, and 16 first downs to Heppner's 8.

Friday, Oct 2 Heppner goes to Pilot Rock to meet the Rockets at 8 p m.

## 4-H Knitting Club To Be Started

Mrs Robert Jones, Heppner, is attempting something new in the county in the way of a 4-H club, she is organizing a beginners knitting club, according to Esther Kirms, Morrow county extension agent.

Girls between the ages of 9—21 are eligible to join this new venture in which they will make at least three articles in the club year to show that the following skills have been learned: cast on stitches, bind off stitches, knit or garter stitch, the purling or stockinette stitch, ribbing, and increasing and decreasing stitches.

This 4-H project is planned so that a club member can take a different unit each year for six years. When a girl has completed this project she should be skilled enough to follow any direction and make anything she wants.

An organizational meeting of young knitters is called for Tuesday afternoon, October 6, at 4:00 P M at the home of Mrs Robert Jones, 195 Baltimore Street, Heppner.

Any girl that is interested in knitting is urged to attend.

## Farm Census Crew Leader is Named

Appointment of Mrs Ruth Haynes as a crew leader for the 1959 census of agriculture was announced today by field director Guy E Rainboth of the census bureau's regional office at Seattle.

Mrs Haynes will direct a force of census takers who will canvass all farms in Gilliam, Morrow and Grant counties. Before assuming her post, she will go to Bend, where she will receive five days of training by a member of the census bureau's staff. Topics to be covered include procedures for recruiting of census takers, census taker training, canvassing methods, preparation and submission of reports, and the supervision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the census of agriculture. It is her responsibility to recruit and train the census takers and supervise their work; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to conduct difficult interviews.

After completing her training, Mrs Haynes will return to her district where she will spend several weeks recruiting census takers, and training them in preparation for the start of the field canvass on October 28th.

## Student Trainee Positions Now Open

Applications are now being accepted for student trainee positions by U S Civil Service Commission offices throughout the country. These positions are in scientific, technical, agricultural, accounting and statistical fields. Entrance salaries range from \$3,255 to \$3,755 a year.

These student trainee positions offer high school seniors and college students an opportunity to combine their college study with training on the job in either vacation work-study programs or cooperative work-study programs. In the vacation work-study program, students attend college during the entire scholastic year and work in a federal agency during the vacation periods. In cooperative work-study programs, students alternate their college study and work periods during the entire year.

The first written test will be given on October 31, 1959, for those who apply not later than October 13, 1959. Additional tests will be given at monthly intervals thereafter. Full information is contained in announcement No 205.

The announcements and application forms may be obtained from Hubert Wilson or James Driscoll at Heppner Post office, or from the U S Civil Service Commission, Washington 25, D C.

## FHA Now Financing Farm Home, Building Construction, Repair

Farm homes and farm service buildings may be financed by Farmers Home Administration loans.

Last fiscal year 96 Oregon farm families borrowed \$821,315 to construct, improve or repair farm houses and other essential farm buildings.

Housing loans may be made only to farm owners. The farm must produce a substantial part of the operator's annual cash income and must be considered a farm rather than a rural residence. Housing funds cannot be used to buy land or refinance debts.

Farmers Home Administration loans are provided only when a bank or other lender cannot adequately serve the farm owner's credit needs. The agency does not compete with conventional or cooperative lenders, but does supplement the credit services supplied by other sources.

Each loan is scheduled for repayment within the borrower's ability to repay. The maximum term is 33 years at 4 percent interest. Security will be a mortgage on the farm being improved.

Farmers buy their building materials wherever they please.

usually from local dealers. They obtain their building plans and estimates from any reliable source they choose.

Periodic inspections during construction are made by the agency to assure that sound construction standards are followed.

Other loans available include Farm Ownership loans, Soil and Water loans, and Farm Operating loans.

Further information on the loans may be obtained at the county office of the Farmers Home Administration located at 105 S E Byers Avenue, Pendleton, on Monday of each week.

**Mrs J O Rasmus, and Mr and Mrs Dysart** and Mr and Mrs Rocky of Walla Walla enjoyed a ten day trip to Canada. They visited Banff, Lake Louise, Calgary and Ice Seals. Mrs Rasmus returned to Heppner last weekend.

**Mr and Mrs Ed Bergstrom** and Mr and Mrs Ben Anderson returned Sunday from a vacation at the coast. While in Coos Bay they visited at the home of Mrs Harriet Robinson.
