

# Mustangs Bounce Back With PR Win

**By NEAL PENLAND**  
A hard running Heppner high team, that didn't bear any resemblance to the one that the week before couldn't tell a football from a pumpkin, took its second victory of the season by downing the Pilot Rock Rockets 12 to 7 at PR last Friday.

Pilot Rock opened the game with a bang by taking the ball on the Heppner 35. They huddled once and ran a series of seven plays with Dwaine Ellis going over from the six yard line. Gene Estrada plunged over the middle for the extra point.

The Mustangs bounced right back to go on a 90 yard march

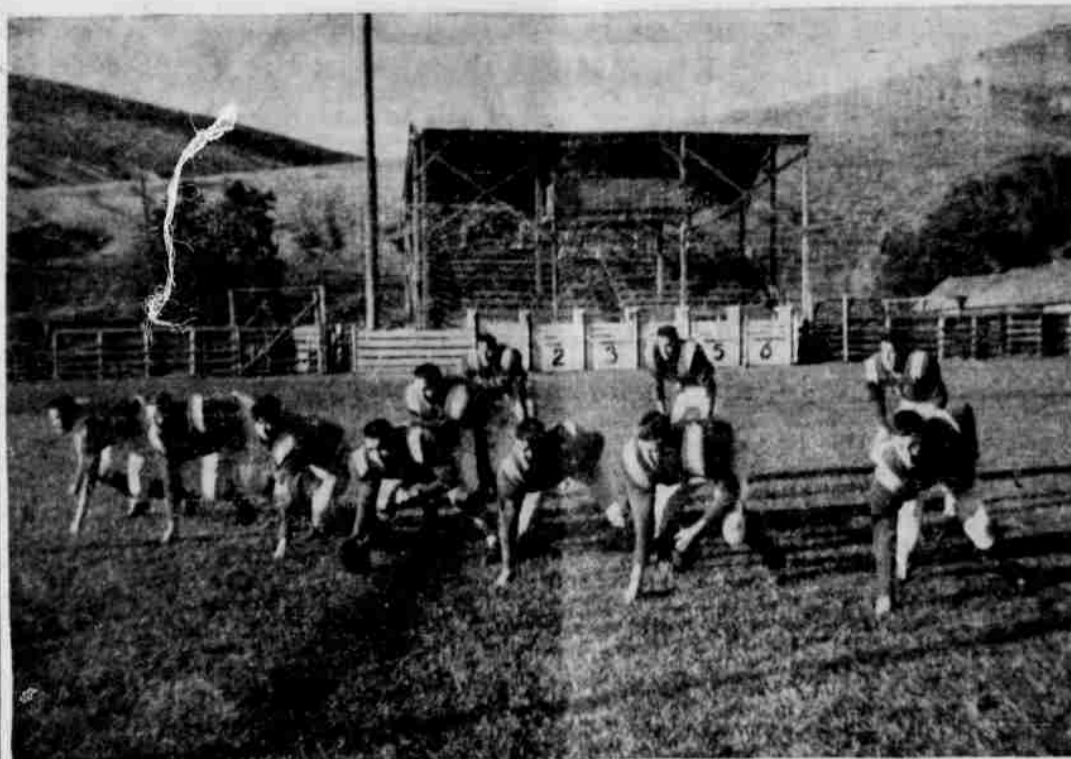

with Neal Penland climaxing the drive by going over tackle for the score. Bob Davidson tried the extra point but failed.

Again in the third period, Heppner managed to go over the second time for the deciding score when Dan Brosnan raced over from the 11 yard line. Tom Driscoll tried the extra point but also failed.

Heppner managed to keep the Rockets at midfield most of the night but a couple of times they managed to get to the 20 before the Heppner defense stiffened.

In statistics Pilot Rock outplayed the Mustangs with 189 yards gained to Heppner's 119. In first downs the Rockets led 10 to 8.

Friday, Heppner will initiate their new uniforms by tangling with the Tigers of Stanfield at 8 p m on the Heppner field for the second home game of the season. The Mustangs' new uniforms are gold with blue numerals and gold pants.

**MUSTANGS** who were holding down first string positions when this photo was taken a couple of weeks ago are, in the line, from left, Tom Green, Tom Howell, Charles Smallwood, Neal Penland, Merlin Hughes, Al Osmin, Dennis Doherty. In the backfield are Tom Driscoll, Dan Brosnan, Marlon Biddle and Jim Steagall. Several positions have been changed during the past week and the squad looked good in beating Pilot Rock last week 12 to 7. (Photo by Mike Crist)

## Horse Judging Short Course Set October 9-10

Oregon's fourth annual light horse judging short course is scheduled Oct 9 and 10 at Oregon State College. A horse show Saturday evening will climax the two-day event.

Main speakers will be Dr J K Northway, chief veterinarian for the King ranch at Kingsville, Texas, since 1916, and Mrs Claud H Drew, nationally-known horsewoman who teaches horsemanship at Christian College, Columbia, Mo.

Enrollment still is open in the short course, which is limited to 120, reports A W Oliver, OSC animal husbandman. Entry fee is \$10.

Oliver explained that the popular short course was started in 1956 by OSC and the Oregon Horseman's association to give instruction in selection, care, training and showing of light horses. Another feature of the short course is training judges for light horse shows. Practice judging will be done on Welsh Ponies, Arabs, American Saddle Breeds and Quarter Horses.

The horse show Saturday evening in the OSC armory will give

Mrs James Gully of Vancouver, Washington was in Heppner Thursday of last week visiting her cousin, Mrs Elbert Cox.

Mr and Mrs P W Mahoney and daughter, Shannon were in Forest Grove over the weekend to visit their son, Bob who is attending Pacific University.

Mr and Mrs Howard Cleveland and John, Nancy and Tommy were in Walla Walla Sunday and Monday visiting at the home of her mother, Mrs Paul Webb Sr.

those completing the course a chance to compare their judging with the experts. Classes shown will include Shetland Fine Harness, Arabian Three Gaited, Equitation-Saddle Seat, Equitation-Stock Saddle Seat, Five Gaited, and Western Pleasure.

Northway, who will speak to the group both days, is responsible for the total animal health program on the million-acre ranch with its thousands of cattle. He will tell about raising—his pride and joy—on the King ranch, and will discuss common diseases and parasites of horses.

Mrs Drew has judged major horse shows throughout the United States. She will talk on show ring etiquette and preparing for a horse show, and will demonstrate both English and western horsemanship. Oregon 4-Hers Jan Anderson, The Dalles, and Elizabeth Keyser, Salem, who won top horsemanship awards at the state 4-H horse show this fall have been invited to help Mrs Drew in her demonstration.

These figures are highlights from a six month statistical summary released by the department of motor vehicles and based on reports filed by 52,940 drivers involved.

The state's young people continued to be the hardest hit in the death and injury column with 37 deaths and 1,718 injuries in the 18 through 24 age group.

The summary revealed little new or startling—the same mistakes by drivers have a habit of repeating themselves year after year. The summary shows type of accident, day of week, time of day, age and sex of victims and drivers, vehicles involved, road and weather conditions. Special pages cover accident experience of all cities over 10,000.

A more detailed analysis of contributing causes and factors is now underway.

Morrow county reported 55 accidents in which one person was killed and 18 people were injured.

## Traffic Accidents Continue to Climb

Traffic accidents in Oregon increased slightly more than seven per cent during the first six months of 1959 compared with the same period in 1958. Deaths during the same period increased
