## Hepner Extension Unit Studies Hawaii

The October meeting of the Hepner extension unit on "The Study of Hawaii" was held at the home of Mrs Clive Huston on Tuesday, October 13 with the members present: Mesdames; John Lane, Keithley Blake, Riley Munkers, Gene Ferguson, Lee Scrivner, Nora Turner, Douglas Drake, and Howard Pettyjohn with guests, mesdames; Joe Wright, Frank Connor, Delbert Wright, Earl Soward, and Pearl Wright who joined the Hepner unit.

Mrs Ferguson, the chairman, conducted the business meeting then turned the remainder of meeting over to Mrs Turner and Mrs Scrivner who gave an interesting talk on Hawaii stating that the islands are about the size of New Jersey and are made up of 8 islands with the population of 585,025. The major crop is sugar cane with pineapple second. The third income is tourist trade. Their alphabet consists of only 12 letters brought in by the missionaries many years ago. Mrs Turner showed slides of the Hawaiian people, their land, cities, flowers, landscapes, and its industries taken by Mrs Norman Nelson.

Pineapple upside-down cake was served by the hostess at the close of the meeting.

The next meeting will be on copper tooling to be held November 10 at Mrs Ray Drake's starting at 10:30. It will be an all-day meeting and everyone is asked to bring their own sack lunch. All those interested in attending, are asked to call Mrs Munkers, Mrs Ferguson, or Mrs Bill Heath as soon as possible, so arrangements can be made to accommodate everyone.
