Twin Broilers Share Holiday Billing

Two chickens are better than one when you're serving a gala holiday dinner. There are twice as many "favorite pieces" to go around—breast, drumsticks, whatever your family prefers. Tender young broiler-fryers make ideal roasting birds. They are so juicy that no basting is required. Little labor; lots of flavor.

Chicken Duet

2 broiler-fryers 2 tablespoons softened butter, 1 teaspoon salt, divided shortening or salad oil
Wash chickens under cold, running water; pat dry inside and out with paper toweling. Sprinkle each cavity with 1/4 teaspoon of the salt. Fill neck cavity lightly with stuffing. Hook wing tip into back to hold neck skin; if skin is short, fasten with skewer. Fill body cavity with stuffing; tie legs together with string, then tie legs and tail together. Rub entire body of each chicken with 1 tablespoon softened butter or shortening, or brush with salad oil. Place chickens on rack in shallow roasting pan. Roast in a moderate oven (375°F.). Allow 30 minutes per pound. Serve with your favorite gravy.

Savory Stuffing

1 package (8 ounces) prepared stuffing mix 4 tablespoons chopped onion 1 cup diced celery
In saucepan or skillet, melt butter called for in package directions for crumbly stuffing. Add onion and celery; cook until onion is tender, but not brown. Add liquid called for in package directions. Bring to a boil. Add to stuffing. Divide stuffing in half. To half the stuffing, add 1/4 cup chopped Brazil Nuts. To remaining half, add 6 medium oysters coarsely cut. Use each half of the stuffing for one chicken. Yield: Enough stuffing for 2 broiler-fryers.
