I'd tell my folks that the only way to travel is on the UNION PACIFIC RAILROAD.

After several trips in the car, Man I've had it! When we get there Dad's so tired and cross he isn't fit to live with; Mom's been so busy keeping us three kids quiet and yapping at Dad about his driving that she won't unwind for hours, and we've usually had car trouble of some kind. This is fun?

Now don't get me wrong... I love to travel... but why not do it the EASY way? UNION PACIFIC is the answer, with their dependable, safe and courteous service. You ride in adjustable Dome Coach seats, and enjoy the Dome Diner, and comfortable Dome Lounge. And I can ride free until I'm five years old... thanks to UP's famous Family Fare. But most important: the whole family arrives refreshed, happy!
