COUNTY 4-H LEADERS RECEIVE RECOGNITION AT ANNUAL BANQUET

Fifteen years of 4-H leadership was recognized in Morrow county last week when a pearl clover pin was presented to Mrs L A (Ruth) McCabe, Ione, at the fifth annual 4-H leaders banquet held on January 6 at the American Legion hall in Heppner. Mrs McCabe is the first leader to receive such an honor in Morrow county, according to Esther Kirmis, Morrow county extension agent.

Mrs E M Baker, Ione and Mrs N C Anderson, Heppner were also honored with gold clovers, signifying 10 years of 4-H leadership.

The 4-H leaders banquet is an annual event in which 4-H leaders, their husband or wife, and junior leaders and their parents, are feted by the Pacific Power and Light Company to recognize their work with the youth of the county. Pins are presented for each leader upon completion of their first, second, third, fourth, fifth, 10th, and 15th year. Intervening years of leadership are recognized by a certificate.

Roy Martin, Lexington, vice chairman of the county 4-H council, acted as toastmaster for the evening's program. U S and 4-H pledges were given by William Hill and Jerry Anderson with Rev Austin McGhee giving the invocation.

A welcome was given by Eldon Drennan, representative of the Pacific Power and Light Company who also introduced H A O'Bryant, Fred Gimble and Cecil Root, of his organization. Billy Doherty, junior leader, gave the response in behalf of all 4-H delegation.

Entertainment for the evening was presented by Leslie Keller, Hermiston and Ted Thornstad, Umattilla, who spoke on their United Nations Pilgrimage to New York last summer. This was thoroughly enjoyed by the group.

Musical entertainment was delightfully presented by Lona

'Great Decisions' Program Plans Ready in Oregon

Anyone interested in learning about America's foreign policy will have ample opportunity during the months ahead.

Many Oregon librarians are already gathering books relating to foreign policy topics that will be discussed by Great Decisions study groups in February and March.

Co-chairmen of Oregon's Great Decisions program are Mrs Mabel Mack, assistant director of Oregon State College extension service, and Dr Charles Dean, Great Decisions representative for the Institute of International Affairs, general extension division, state system of higher education.

They report that although local discussion groups are just now being formed in each county, librarians are getting ready early in anticipation of requests for material about the eight discussion topics: Communist Timetable for 1960; Divided Europe; Red China on the March; Chances for India's Middle Way; Hope for Stability in the Middle East; Goals for Africa's New Leaders; Cuba's Revolution; and U S Global Strategy.

The organization behind Great Decisions, which has been offered nationally for the past six years, is the Foreign Policy Association (FPA), a 42-year-old national educational agency. Its purpose is to help people understand critical international issues facing the American government and people. FPA is non-partisan, nongovernmental and nonprofit. It is supported mainly by contributions and foundation grants. The FPA prepares fact sheets for participants.

If we could say a prayer with pictures...

no words could say our prayer as well as the small face of two-year-old Mary Beth Pylon.

This lovely child — shown here with her mother — was born with a crippling defect of the spine. She is one of the 250,000 American babies born each year with congenital malformations. Think of it! — one out of every 16 American babies!

Through the March of Dimes, you helped science find the way to stop crippling by polio.

Now the NEW March of Dimes will help science find the way to stop crippling birth defects — the tragedy no one has wanted to face!

By giving to the NEW March of Dimes you can help save America's children from birth defects, just as they are being saved today from crippling by polio.
