

Mustangs Win Over Stanfield, Lose to Ione

By NEAL FELLAND

Heppner High Mustangs were home for two straight games last week when they again split the two games. On Friday night Heppner rolled over the Stanfield Tigers 64 to 55. Tuesday night the story was different with the Ione Cardinals barely squeezing by the Heppner team 46 to 44.

The Tigers from Stanfield opened up fast with guard Johnny Stamate scoring the first 6 points for them before Heppner could find the range, then it was the fight between Ron Gray and Stamate for about the first half of the first quarter. Stanfield's Mike Grogan finally broke the dual when he scored and then the scoring went pretty even from then on. At the end of the first period the score was 12 to 4 for Stanfield.

In the second stanza Heppner bounded right back to come up with 24 points to put them within two points of the red hot Tigers at half. Tom Green and Dennis Doherty started getting the eye of the basket and managed to pull the Mustangs out of the hole.

In the third quarter both teams slacked off a little but Heppner managed to pull ahead for the first time in the game and then stayed there for the remainder of the game.

In the final stanza guards Doherty and Gray put on a fine exhibition when they racked up 10 quick points before the Stanfield team could get going. Stanfield team got past the half line once before they finally scored when Stamate brought the ball down and drove all the way in, and the scoring stayed even for the rest of the game.

On Tuesday night the Ione Cardinals put on a fine last minute rally to edge out the Mustangs 46 to 44.

Heppner opened up hot and ran off a 10 to 4 score before Ione got going. Ron Gray again was red hot when he scored the first five points for the Mustangs. Heppner had a rough time keeping Francis Rea away from the basket while he racked up points for the Cardinals.

In the second stanza Heppner still managed to keep their lead with the help of Tom Driscoll and Dennis Doherty. At half time Heppner had a slim lead of 23 to 20.

In the third period Heppner slacked off while Ione took advantage of this, Tom Martin and

OEA To "Sell" Federal School Aid Plan to Public

Saturday, February 5, 1960 the N E A and the O E A held a joint meeting at the Vert Memorial building in Pendleton. Three counties sent representatives—Union, Umatilla and Morrow. Those representing Morrow county were: Dallas Shockley, supt of schools at Ione, Mrs Bonnell, 1st grade teacher at Lexington, Clifford Williams, 8th grade teacher at Heppner, Hilliard Brown, elementary principal at Heppner and Robert Van Houte, Morrow county school superintendent.

Roy Archibald, west coast representative of the NEA reviewed past efforts of congress to pass a federal bill to education. He also spoke at some length of the need for federal aid.

In presenting this problem he was ably assisted by Robert Van Houte and Ed Elliott of the O E A.

Some discussion took place as to how each teacher could promote this legislation from our local communities. Letters to congressmen and panel discussions were both advocated. Personal interviews were also encouraged.

All bills before congress were discussed as to the merits of each and its possibilities of becoming law. It was pointed out that congressmen must be encouraged by the local group by original letters and a little commendation.

Each group from each county was urged to return home and contact as many as possible and to inform them as to the desirability of such legislation.

TRANSFERRED TO THE DALLES

Word has been received of the transfer of Mr and Mrs James Sumner from Ellensburg, Wash to The Dalles where he will be the manager of Tum-A-Lum lumber company. They expect to move around Feb 12.

Francis Rea kept the Ione team in the running.

In the fourth quarter, big John Swanson pulled through for the Cardinals when he finally got the range of the basket. Heppner was hurt when forward Tom Green fouled out in the first of the third period and the Heppner team seemed to go downhill. Jack Crum put the ribbons on the game when he drove in for a layin with 30 seconds to go in the game with Heppner being unable to make two very important free throws.

MUSTANGS WIN—Heppner came out on top of this scramble with Stanfield Friday night 64 to 55. Shooting is Ron Gray, No 6. Other Heppner men are Nat Webb, No 5 and Bruce Moyer No 4. The blue-clad Stanfield boys are Dick McKague 35, Jerry Voss 25, and John Stamate whose head is showing over the top of Moyer. (Hehlich Photo)
