Over The Tee Cup

By Jackie Labhart

By JACKIE LABHART

Here it is tee time again and this brewer of link lore has had the ol' pot simmering for some time eagerly waiting for some ingredients with which to flavor this cup of tee talk.

We held our first ladies day of the season Tuesday morning and the fourteen females playing were Suzanne Jepsen, Doreen Jacobs, Hazel Mahoney, Vi Latham, Gene Case, Faye Ruhl, Dee Gribble, Gladys Snider, Marie McQuarrie, Roberta Dougherty, Inez Huffman, Coramae Ferguson, Hester Creswick, and myself. Vi shot a 40 which gave her the lowest gross score for the day; but there were four other gal golfers in the forties which is pretty good considering how rusty we all were, since most of our joints have been in cold storage all winter. Hester and Dee shot 47's, Hazel had a 43 and I shot a 41.

LADIES DAY OBSERVATIONS:
Hazel wearing Phil's long Johns... Gladys having putting troubles... Doreen running out of cigarettes on the 5th hole (and to make matters worse she was playing with Suzie and I... who have both quit smoking)... our little course was brightened considerably by four "Betty Coeds" wearing bright and flashy sweatshirts, Dee was wearing Doug's from Willamette (or you might say she was

LaVerne Henderson, Florence McMillan, May McCall, May Campbell, Cora Warner, Trina Parker, June Davidson, Delpha Jones and the hostess, Jo Irvin.

Mr. and Mrs. Ralph Jackson of Hermiston visited at the Barnett home on Thursday evening of last week.

Marvin Way and Stanley Schoonover spent the weekend at the Ken Way home in Vancouver.

The Lexington P.T.A. met at the school Tuesday. It was presided over by the president, Em Peck. The business of the meeting included the approval of sending \$10 to Pioneer Memorial hospital for the air conditioning. A nominating committee was chosen, including Jo Irvin, June Davidson and Lois Hunt.

The program was a Founders Day program presented by Millie Faircloth. It included a duet by Sandy and Barbara Faircloth and a trio which included in addition to the girls, their mother, Mrs. Faircloth. Sandy Faircloth played a piano solo.

drowning in the Willamette, as it was somewhat large for her), Faye in a Boise Junior College creation (Dick's), Marie wearing Susies' from Oregon State, and Hazel sporting a bright white job with knit cuffs from Bob's Pacific University.

Our links seem to be in wonderful shape after wintering for a few months (and as the experts say all things get better with age), the fairways seem to be rock free and look as tho' they are going to have a good stand of grass on them this summer. If everyone will remember to replace their divots we should have a real beautiful course by late spring.

OVERHEARD:... that Bill Collins' game has really improved since he has learned to keep his right elbow in against his hip (could be he is practicing to give us all a good "cleaning" this summer)... that Jack Everly has his own private driving range out at his house, and that he has been practicing quite earnestly with his irons... that our new Country Club president Marie is really planning lots of activities for the men and women this year (hope everyone will get behind her and help to make this a really great golfing year)... that everyone is really pleased to see the lone golfer taking part in the golf course activities... be sure to check the new PGA rules concerning out of bounds and lost balls (it's only a one stroke penalty now).

Tee off time for ladies day next week is 9:30 and all golfing gals are urged to attend.

Well I see I have about drained my cup for this week so shall put it back on the shelf until next week when we will meet again over the tee cup.

4-H Club News

STITCH IN TIME

4-H CLOTHING CLUB
A meeting was held on February 9 to get the members up to date on their dresses we are making. We met on January 23 when we had a work day and sewed all afternoon.

The program of work was discussed and made out, sent to the county extension office where copies will be made up and mailed back to each member.

At this February 9 meeting the Father of the Year for Morrow county was discussed and Elaine Gaarsland, president appointed

Delores Emert and Arieta McCabe to fill out the questionnaire for our selection.

Our next meeting will be at the home of Cheryl Lundell on February 27. At this meeting we will discuss what to do for National 4-H club week.

RHEA CREEK LIVESTOCK CLUB

The Rhea Creek Livestock 4-H club met at the home of Mr. and Mrs. Leonard Rill. President Willy Rill called the meeting to order and led the 4-H pledge.

We chose a committee to put up a display in Ball's grocery at Ruggs. We also discussed when we will go on a field trip to the Pendleton Woolen Mills and then to a dairy.

Mrs. Rill served very nice refreshment.

LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turbo-Glide, dual-lutron radio and deluxe interior—let's a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yes, Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass.

Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Still's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Drive it—it's fun-tastic! See your local authorized Chevrolet dealer for fast delivery, favorable deals.
