**UN Pilgrimage**  
**Finals To Be Held**  
**Sunday at Pendleton**

The Oddfellow and Rebekah lodges of many countries have each summer for twelve years sponsored an educational tour whereby students visit and study the United Nations in session. For this project, the United States is divided into Districts and one high school student is chosen from each district. This choice is accomplished by means of an essay contest on a subject related to United Nations. Sophomores and juniors of all high schools are invited to participate in the essay work. Each school holds its own elimination contest to select its representative for competition in the finals.

This year the final speech contest in this area will be held in the Pendleton IOOF hall on March 6 at 2:00 p. m. The closely contested final is open to public attendance.

District chairman of this phase of Oddfellowship, Mrs M N Kirk, of Hermiston, states the following students will be competing in the finals: Marcia Slater, Stanfield high; Marilyn Llewallen, McEwen Hl of Athena; Kathie Weiss, Pendleton senior high; Mary Ann Narkaus, Helix high; Paula Lou Hickey, Echo high; Janet Easley, Pilot Rock high; Ervin Engles Jr, Umatilla high; Evelyn Jepsen, Ione high; Karen Ann Winn, Weston high; Elaine Langenwalter, Hermiston high; and Barbara Selwert from Heppner high. The judges will be from out of the state and the winner will be announced immediately following the contest. Mrs Gaylord Thompson, Hermiston is in charge of the entertainment numbers.

For the past two years Umatilla high school has had the distinction of producing the winning student from this district which included all of Morrow and Umatilla counties. Susan Anderson made the trip to the

United Nations in 1958 and Ted Thonstad in 1959.  
 Leslie Keller of Hermiston high has been the runner up for the past two consecutive years. In 1959 when a seat on the bus was found available at the last minute, the district with the backing of the Pendleton and Heppner IOOF lodges and Hermiston service clubs, had the privilege of sending Miss Keller on this educational tour.

The topic of this years essay is: "Will the United Nations be able to solve the problems of the World?" In writing a theme on this subject, the research on the United Nations material enables high school students to have more general knowledge of the work and accomplishments of this vast international peace body than many adults of today. Only one student from each district will win this expense free tour of two nations, but all will gain in knowledge.

**SPOON LICKERS 4-H CLUB**  
 District chairman of the first March meeting of the Spoon Lickers 4-H club. It was held at her home.  
 Jean Stockard and Susan Drake completed the roll call topic items on our 4-H calendars. We decided to meet once a week for awhile to make up for the meetings we missed.  
 The next meeting will be March 8 at Darline Anderson's. Mrs Drake, the leader, demonstrated orange sauce. The group enjoyed doughnuts and kool-aid furnished by Mrs O'Hara.
