Carnival Comes To Heppner

Well, almost in Heppner that is—but it will be at the ski area at Cutsforth Park on Sunday, the 27th of March in the early afternoon. At a ski carnival almost anything is liable to happen—from three legged races (on skis) to skiers crawling through truck inner tubes. And you may even see an uphill race! To add to the festivities, participants will be wearing colorful costumes and the zanier the better.

All those at the area the past weekend wish to thank the parties responsible for doing out the snow above Shaw Creek road—sure made driving a lot easier.

We are seeing more father-son combos on the hill—among them Nate and Danny; O W and Gene (Mom too); Kenny and Steve; Don and Cary; not to mention the mothers and daughters.

daughters Pam and Casey were weekend visitors in Kennewick, Wash at the home of Mr and Mrs Marion Morlan. Mr and Mrs Ralph Skoubo were Sunday visitors at the Morlan home.

Mr and Mrs Delbert Houston, La Grande, are visiting at the home of Mrs Houston's parents, Mr and Mrs Leo Potts.

Janet Moe, Kennewick, Wash was a weekend visitor at the home of her uncle and aunt, Mr and Mrs Charles Higura.

Mr and Mrs Frank Marlow and son Darrell went to La Grande Sunday to visit the home of their son and daughter-in-law, Mr and Mrs Harold Marlow.

Mrs Guy Hodge was a patient in Good Shepherd hospital in Hermiston last week with pneumonia.

Mr and Mrs Walter Hayes went to Portland Friday to visit at the home of their son-in-law and daughter, Mr and Mrs John Baldino, returning home Saturday.

Some skiers ? went thundering over us about 3 p m headed north, but at about mach 2 we could not identify them. Wasn't K Turner or J Miller—they were digging out of the new snow.

Local ski talent will be on the movie screen at the next meeting at the club to be held in Lexington city hall, March 22, 8

p.m. Skiers, skaters and all interested spectators are invited. Saw Barb C sitting on O W's head in the snow the other day. Heard several fellows on top of the hill Sunday discussing Lent. One of the fellows said he gave up his wife, another gave up whiskey, and another said anything was fine so long as it didn't interfere with his skiing.

The Buschke's were observing hill.

the various items of ski equipment we need and use in preparation for stocking their ski department next year. Save us from going to Walla Walla.

Several new faces were noticed on the slope Sunday, including Fred Pointer of Corvallis and his fish truck. Truck didn't make it up the hill but Fred did several times.
