Over The Tee Cup

By Jackie Lohbart

In the words of Milton Gross this is golf . . . "do you want the ball to go up, then hit down. Do you want it to go right, then swing left. You look in one direction to direct them all another. You stand at right angles to your directed line of flight. You take two strokes to go 400 yards and four more to go four feet. Then when you get to where you're going, there's a hole in the ground 4 1/2 inches wide. The rest of the world is all around it but you're expected to deposit the ball into the hole." (I think it would be best if all we would-be golfers deposited ourselves in the hole; at least that's where we feel like crawling sometimes.)

Among those partaking (and I don't mean that word literally) in this "sodforsaken sport" during the weekend Shirley Loyd, Kay Anderson, the Lowell Gribbles, Jim Driscoll, the Clint McQuarries, Bill Collins, the Conley Lanhams, Bill Blake, the Raymond Fergusons, Jack Everly, Ambrose Chapin, Harlan McCurdy, the Ed Shaffitz, Ed Verne Van Marter Sr, the Phil Mahoney, Inez and Bob Huffman, Tommy and Clifford Green, Mike and Mark Koenig, Elaine George and Roberta Dougherty.

OVERHEARD: that there was quite a "breeze" blowing Sunday on no 6 (at least Clint had a little trouble with it) . . . that Dee was really giving "Grib" and Harlan a bad time on no 5 . . . that Conley shot a 35 and a 37 Sunday . . . that Bill Blake was having "electrifying" troubles on no 8 (he drove off three balls and each one hit the light wires . . . you might say that was something of a "shock.")

SPECIAL ANNOUNCEMENT: The kick off breakfast will be this Sunday, April 10 at 8:30 at the Wishing Well.

We really had a large turnout at our ladies day Tuesday and ol' sol displayed his "sunny smile" for the following 20 gal golfers: Vi Lanham, Hazel Mahoney, Inez Huffman, Ruth Van Winkle, Jane Frink, Faye Ruhl, Inez Meador, Sue Valentine, Cork Norene, Dee Gribble, Donna McCurdy, Margurite Chapin, Gladys Snider, Roberta Dougherty, Hester Creswick, Maxine Gray, Dolores McDowell, Marie McQuarrie, Gene Case, and myself. After we played our nine holes we drew for blind partners and Dee and Faye low gross with their combined scores of 37-47. Hazel won a new golf ball for having the least number of putts on no 7 (this was rather amusing as she was verbally blasting this hole because it had taken her five to get down next to the green . . . but she sunk her chip shot so therefore she did not have to putt.) Faye also won the free lunch given by Herb

La Grande, who also visited at the home of Mr and Mrs Leo Potts.

Hamilton to the gal golfer having the lowest net score for the day.

LADIES DAY LAMENTS: My driving off of no 2 tee and landing on no 7 green (I've decided it's not the game that is crazy, just the golfer) . . . Jane having putting troubles . . . Donna with a fatal fascination for the weeds on no 6 . . . Dee making beautiful drives and approach shots, but her poor putting put past par . . . Cork having new club-itis.

My apologies to the green crew on no 7 . . . I gave credit for draining the swamp ditch to the workers on no 9 and it should have been to the group on no 7. That's it for this week, but hope to see all you golfers at breakfast and golf day this Sunday.

IONE School Notes
