**HAIL is a  
SERIOUS HAZARD  
To Your Crops**

The hail season is fast approaching. Your crops need protection.

For absolute protection and peace of mind, buy Hail Insurance. When dark clouds appear over your farm, it's a great feeling to know you are insured.

You may not get hail often, but suppose this is your year! Hail will steal the money you have invested in growing your crops, and the income you expect to receive when you sell them. The moderate cost of Hail Insurance pays you big dividends when hail strikes.

See or call us immediately for complete details. There is no cost or obligation. Play safe this year! Buy Hail Insurance early.
