## ROCK HOUND'S CORNER

By BETTY WAGNER

On Saturday night, May 28, our members and guests met at the home of Mr and Mrs Walter Edger. How nice it was to welcome Doc and Mrs Babb into our midst again after their long absence through the winter months.

Much time was given to planning our fair booth. Randall Peterson was appointed as chairman of the booth committee.

Also Doc Babb was appointed delegate with George Miller as alternate to the Northwest Federation of Mineralogical Societies to be held at Eugene over Labor Day weekend.

Some lovely and very unusual rock specimens brought back from Arizona by the Babb's were on display for all to enjoy. The Edgers had two large and beautiful specimens of chrysoecolia containing small crystals; and Joe Baltrinus and George Miller also had some interesting specimens with them. It is always easy to tell when a club member has been on a rock trip via field or shop—he is so anxious to share his newly acquired beauties with the rest of us. How much interest and education this does add to the club.

JoAnn served cookies and punch for refreshments.

The next meeting will be held May 25 at the home of Mrs Jean Martin. A demonstration on how to set in sleeves will be given.

Jean Martin, reporter

Doc and Mrs Babb projected some of their colored slides and told of their rock trips in Arizona and plan to show more of their slides at our June meeting. Beautiful pictures of sunsets, the narrow road running through Box Canyon, the beautiful scenery on every side in Oak Creek Canyon, the Gold Rock Ranch in California near the Arizona border made us wish "We were there" also!

Two films, Choice of China, showing how our finest American china is designated and made, and the Wonderful Jet World of Pan American, depicting the behind-scene shots of preparations necessary to assure overseas passengers on the Jet Clippers were shown just before we enjoyed refreshments served by our host and hostess, the Walter Edgers.

## MAKE AND MODEL CLUB

The Make and Model 4-H club met May 18 at the home of JoAnn Turner.

Members present were Brenda Townsend, JoAnn Turner, Geraldine and Judy Morgan, Carol Ann and Janet Palmer, Jean Martin and Karen Lundell, also our leader, Mrs Lewis Carlson.

Mrs Carlson showed us some of the points, about sewing, she learned in her sewing class. Some of the girls fit their muslin dresses and others got pointers on how to touch up their finished dress.

JoAnn served cookies and punch for refreshments.

The next meeting will be held May 25 at the home of Mrs Jean Martin. A demonstration on how to set in sleeves will be given.

## HAIL is a SERIOUS HAZARD To Your Crops

The hail season is fast approaching. Your crops need protection.

For absolute protection and peace of mind, buy Hail Insurance. When dark clouds appear over your farm, it's a great feeling to know you are insured.

You may not get hail often, but suppose this is your year! Hail will steal the money you have invested in growing your crops, and the income you expect to receive when you sell them. The moderate cost of Hail Insurance pays you big dividends when hail strikes.

See or call us immediately for complete details. There is no cost or obligation. Play safe this year! Buy Hail Insurance early.
