EVERY WEEK 10,000 PEOPLE BOUNCE ON ITS SEATS, HONK ITS HORN, KICK ITS TIRES, SLAM ITS DOORS, SHOP ACROSS THE STREET - AND THEN RETURN TO BUY THIS CAR!

Falcon is having the best first year any car ever had... over 250,000 already sold since introduction... going at the record rate of 10,000 every week. What makes Falcon the world's most successful new car?

Economy!

To begin with, Falcon is America's very lowest-priced 6-passenger car... \$64 to \$154 less than the other compacts.

"Falcon delivers the best fuel economy of the three new compact

cars," says Motor Trend magazine. Owner reports and fleet operator logs consistently show Falcon mileage figures of up to 30 miles per gallon with regular gas.

Falcon goes 4,000 miles between oil changes, costs less to service, less to license and in most places, less to insure.

Falcon saves you more and still gives you full room for 6 big people and all their luggage. Small wonder Falcon has become first so fast!
