unsaddle their horses, and hobble them up for the night. They "Belled" two of the horses, so they could hear them throughout the evening.

The men stayed with the cattle overnight, but the girls rode back with us to the Wright ranch home. Mildred planned to drive the girls out again, at an early hour to join the riders on the third day of the drive.

Velma and I got back to Heppner around 8:30 p m—two tired gals, but thrilled to the soles of our tired, dirty feet. We had been on a cattle drive!

### Letter Home Tells Of 4-H Summer School

Twenty-eight Morrow county 4-H members are attending 4-H summer school on the campus of Oregon State college this week. This is a letter from Judy Smith, daughter of Mr and Mrs Glenn Smith, Heppner, who is attending summer school for the first time.

This is the first chance I have had to write home. It has rained here two days, but today it was pretty hot.

Governor Hatfield was here today and we were on radio (all of us!) We went over to the big coliseum and listened to him speak.

I have some very nice room-mates, Paula Neumi, Carolyn, Judy Kyrk, Linda Lenox, Lynn, Barbara, Shirley, Pat and Nancy.

The swimming pool is in the Women's Building. The Library is real huge—three floors in all. Arieta (McCabe of Ione) and I saw Julie (Pfeiffer), Martha (Doherty), and Mariene (Fetsch) the other day. They live 16 blocks from us. We walked up there the other day and boy, were we tired!

The House where I live is called Pi Beta Phi and is an old fashioned English house. There are chandeliers hanging from the ceiling and the stairs are rug-covered. There are these "little talking things" on each floor (three of them) and you push the button and talk to others on different floors.

The classes are real fun, but we have to walk, walk, walk. It is 18 blocks from one of our meeting classes to our house. We had a class in modeling today and it was lots of fun.

I will be coming home Saturday around 4:30 p m (It took us 8 hours to get here last Saturday.) Will see you then. Love, Judy.
