Over The Tee Cup

By Jackie Labhart

Those playing in the men's Sunday morning competition were Phil Blakney, Ray Ferguson, Judge Carmichael, LaVerne Van Marter, Ned Sweek, Francis Doberty, Clint McQuarrie, Phil Mahoney, Bob Frink, Kenny Pecky and Harlan McCurdy. Bob shot low gross for the 18 holes with a 31-36, and he also had low net.

Sunday afternoon Donna and Harlan McCurdy directed a "comedy" in nine holes. The actors were the Frank Andersons, the Jim Driscolls, the Clint McQuarries, the Eddie Gundersons, the Conley Lanhams, the Phil Mahoneys, the Phil Mahoneys, the Bob Frinks, the Lowell Gribbles, Terrell Bengie and Bill and I. The scenes were as follows: No 1 drive while sitting in chair, no 2 putt with croquet mallet, no 3 drive while standing on innertube, no 4 approach green through stove pipe, no 5 approach green over little white fence, no 6 hit ball through boxes on fairway, no 7 use one club while playing entire hole, no 8 drive off with 8 or 9 iron and putt with cue stick, no 9 drive off with putter and approach green through tire. Eddie and Conley tied for low gross for the men and I had low gross for the women. Jayne and Bob had long drives for the men and women.

COMEDY OF ERRORS: we all had such fun and it was rather hilarious to see our best golfers taking 10 and 11 strokes on a hole, but if you went past an obstacle without going through or over it as designated you had to come back and do it correctly. . . poor Jayne drove just a few feet from the cup on the no 5 green but she didn't go over the fence so she had to hit her ball back off the green and approach the right way. . . Dee's ball got stuck in the stove pipe so she had to take a penalty stroke to dump it out. . . Harlan seemed to have the advantage over all of us while standing on the innertube. . . Clint seemed quite adept with the pool cue for he sank his putt clear from the edge of the green. . . Eddie thinks he'll drive with a putter from now on. . . Grib, Harlan, Eddie and Bill all wore their Bermuda shorts.

SPECIAL ANNOUNCEMENT: following this Sunday's afternoon play all members of Willow Creek Country Club and their children are invited to a potluck picnic on the courthouse lawn. (please bring your own eating "irons" but paper plates and cups will be furnished). Tee off time will be at 4:00 and we plan to meet at the hour house between 6:30 and 7:00. Even if you don't play golf in the afternoon be sure to make a special effort to attend the potluck. (In other words "drive" right up and "putt" yourself down to the court house lawn in the south part of town).

Those playing in our ladies competition Tuesday were Jayne Frink, Faye Ruhl, Roberta Dougherty, Dee Gribble, Daisy Collins, Gene Case, Marie McQuarrie, Kay Robinson, Gladys Snider, Hazel Mahoney, Coramae Ferguson, Jan Agee, Arolene Laird and myself. I shot low gross score of 36, Gene had low net with a 48-24-24. Arolene was closest to the pin on no 5 and Daisy had the fewest number of putts (11).

LADIES DAY LINK LORE: I have a little story to tell on Jan, Kay and Jayne. . . Arolene and I were playing right behind their threesome and I had driven the green on no 4 and was so delighted to think I might have a good chance of birdying it. We walked down the bluff and across the creek to the green and the three of them were still there waiting to watch me putt, so I carefully approached my ball and spent several seconds lining it up, smoothing the green etc, then I stroked the ball and to my utter amazement it went

straight as a die for about 18 inches and then took a sharp, right angle turn. Of course everyone was real sympathetic and said I must have hit a pebble or something. Well, I was bound and determined I was going to par that hole so I approached the ball again with great determination only to see my second putt actually zig zag back and forth across the green and stop within six inches of the cup. Needless to say by this time I was beside myself and just barely was able to tap the ball in for a three putt green. But when I picked the ball out of the cup I noticed it wasn't my ball and then I saw everybody doubled up with laughter, for Jan had slipped in a Goof Ball (one that is filled with liquid) in place of my ball while we were walking over to the green. (you might say I really was a "gullible golfer" for I had no suspicions whatsoever).

Next ladies day tee off time will be at 8:00.

Other golfers seen on the course during the week were Joyce Snider, Hugh Salter, Bill Salter, Shirley and Bill Blake, Gene Manning of Portland, Tom Christian, Bill Collins, Ken Turner, Tad Miller, Bob Huffman and Steve Flug.
