

Attack Hits Boardman Farmer

By MARY LEE MARLOW
Ervin Flock was stricken with a heart attack while working on his farm Wednesday of last week and was taken to the Good Shep-

herd Hospital in Hermiston. Overnight visitors at the home of Mr and Mrs Earl Briggs one day last week were Mrs Briggs' son and daughter-in-law, Mr and

WHAT'S DOING

One of Disneyland's most spectacular attractions is the Circarama tour of "America the Beautiful." For you're encircled by 11 screens as this unique movie takes you to Times Square at night, a New England village, the Grand Canyon and many other parts of our land. The effect is breathtaking... just like being in these places yourself. And it's free, too—part of an exhibit sponsored by Pacific Telephone and the Bell Telephone System. If you visit Disneyland this summer, be sure you see Circarama, I know you'll enjoy it.

Most folks think that television is a recent invention. But this picture proves differently. That's the back of the television set that picked up the first city-to-city telecast. The year was 1927, and the program featured Herbert Hoover! Research by Bell Telephone Laboratories helped make possible that first telecast, and it was carried over a long distance telephone line. Today, telephone equipment still has a lot to do with bringing you television. Pictures from the entertainment centers of the nation travel to your local stations over our equipment—coaxial cables and microwave radio relay—before they're beamed to your home. While telephone research is always focused on bringing you better phone service, it is interesting how often its discoveries pay off for you in other ways, too.

Summertime. That's the time our Heppner customers spend plenty of hours outdoors. And here's an idea we've come up with that can add a lot to your outdoor living. It's a portable phone that can move outdoors with you. We put in jacks for it near your garden, patio or pool so you can plug it in wherever you go. Think of the steps it can save! If you'd like more information about this handy portable phone, just give us a call.

Pacific Telephone—Northwest

Mrs Bill Maxwell and children Sandra and Bill, Jr. Portland. Other visitors were Mrs Jack Mulligan and daughter Judy of Othello, Wash, and Mrs John Mulligan of Portland, who were on their way back to Othello from Portland.

Recent visitors at the home of Mr and Mrs Elmer Messenger were Messenger's daughter, Mrs Marie Cobill of Portland, and Mrs George Baker and seven children of Espinola, Wash, former residents here.

Visitors last week at the home of Mr and Mrs Elvin Ely were their daughters, Mrs Eldon Lilly and children Jimmie, Janet, Jay and Jerry of LaGrande, and Mrs Newell Vaught and daughters Gail and Kelly of Richland, Wash. Janet Lilly remained here to visit this week also.

Visitors at the home of Mr and Mrs Robert Harwood two days last week were Mrs Harwood's cousins, Mr and Mrs Arthur Oakley and children Linda, Carol and Joan of Newport.

Mr and Mrs Fred Suggs of Oakland, Calif were recent visitors at the home of their son and daughter-in-law, Mr and Mrs Ed Miller.

Recent visitors at the home of Mr and Mrs Ray Gronquist were Mrs Gronquist's mother, Mrs Mary Healy, who is hospitalized in Heppner, Mr and Mrs Joe Hughes and Mr and Mrs Tom Hughes of Heppner. Another visitor is Suzanne Holmboe of Portland.

Mr and Mrs Henry Inman and children Mike and Elizabeth of Redmond, Wash were overnight visitors at the home of Mr and Mrs Wayne Kuhn one day last week.

The temperature was 104 both Wednesday and Thursday of last week. Friday and Saturday it was 90 and Sunday was down to a cool 89. Monday's maximum was 93 above.

Let us demonstrate
America's lowest priced 4-wheel drive truck

Extra traction of its 4-wheel drive takes the Jeep Truck up 60% grades through mud, snow, sand. It shifts into 2-wheel drive for highway travel.

Hauling: The rugged Jeep Truck carries a one ton payload... 63% of its curb weight! 6,000 lbs. G.V.W., 118 inch wheelbase.

Towing: With the extra traction of its 4-wheel drive, it tows heavily loaded trailers, on the road or off the road.

Belt power: With power take-off, it serves as a power unit for operating many types of belt-driven equipment.

Welding: With power take-off, it supplies power to operate welders, compressors, generators.

Mobile drill, mounted on the Jeep Truck, is operated from the truck engine, through power take-off.

4-WHEEL DRIVE Jeep TRUCK

WILLYS... world's largest makers of 4-wheel drive vehicles
