

Over The Tee Cup

By Jackie Labhart

They say that no kind of weather can keep the mailman from his appointed rounds and evidently the same is true of a golfer and his rounds, for we had 14 men and women playing in our two-ball foursomes Sunday afternoon, even tho' the temperature was hovering around 105. The gullible golfers were (and I shall list them in the groups they played) Dee Gribble, Harlan McCurdy, and Bill Labhart; Bill Lanham, Conley Lanham, Beverly Gunderson and Coramae Ferguson; Hazel Mahoney, Ray Ferguson, Ed Bennett and Eddie Gunderson, and Phil Mahoney, Lowell Gribble and I. New golf balls were awarded to Dee for being closest to the pin on no 5 for the women and Con-

ley was closest for the men. We added the scores together in each group and divided by the number playing and Phil, Grib, and I had an average of 39 which gave us low gross score.

TWO-BALL TALES: On the no 1 hole we all had to drive off blindfolded and everyone did quite well except for a few of us (Ray couldn't seem to find the ball and Grib and I seemed to think we were "driving" cars for we drove right down the highway) . . . Eddie and Bev had just arrived home from their trip to the midwest and they didn't even wait to unpack before they headed to the golf course (and Bev had a brand new set of matched clubs) . . . Harlan seemed to be having a

little trouble with topping (and I don't mean the chocolate or strawberry kind).

During our ladies day competition Tuesday we entertained the gal golfers from Kinzua and despite the warm and arid atmosphere five Kinzua women made the trek over the mountain. The Kinzuans were Joline Gunn, Marie Hulett, Arlene Schroder, Velma Phillips and Margaret McConnell. The link ladies playing from Heppner were Jan Agee, LaFyrne Pratt, Jayne Frink, Vi Lanham, Hester Creswick, Gene Case, Hazel Mahoney, Coramae Ferguson, Roberta Dougherty, Faye Ruhl, Dee Gribble, Kay Robinson, Arolene Laird, Cork Norene and myself. The winners from Kinzua were Arlene who had low gross score of 42, Velma, Arlene, and Jo all tied with 5's on the hidden hole which was no 7, and Jo had the long drive. Heppner winners were Vi and I tied for low gross with 39's Hester, Dee and I tied with 4's on the hidden hole and Arolene and I tied for longest drive.

LADIES DAY LINK LORE: Jayne really had troubles with the no 2 hole for her first drive hit the sprinkler pipe and bounced back to the tee, her second drive hit the railroad right-of-way post and bounced clear back behind the tee off mat and into the creek, so she put a new ball on the tee and was laying low when she finally got off the tee (at this point she was probably a pained Jayne) . . . Dee, Arlene Schroder and I played together and we never had any of our three balls in the rough or out of bounds (and considering that's approximately 125 strokes all total and considering all the hazards surrounding our course we hit 125 fairly straight shots) . . . Vi drove within 20 yards of the no 8 green . . . Kay chipped into the cup on no 6 . . . Hester seemed to have phenomenal luck all day.

Tea off time for the two-ball foursomes this Sunday will be the usual 4:00 time and a new 8:00 time is scheduled for ladies day tea off time.
