

IONE PTA PROGRAM FOR YEAR ANNOUNCED

By FRANCINE CRAWFORD

The October meeting of the Ione P.T.A. was held Oct. 12 at 8:00 p. m. in the lone school cafeteria. The meeting was called to order by the president, Mrs. Norman Nelson. Vice president Garry Tullis announced that anyone who wishes to order the National P.T.A. magazine should contact him. The membership committee reported that half of the dues had been turned in and anyone wishing to pay his dues may contact a room mother. The finance committee announced that they are selling sweat shirts with Ione Cardinal printed on them. Mrs. Don Peterson reported that the P.T.A. received grand champion on the table setting of a "Fall Dinner Theme" at the lone Garden Club flower show. Mrs. Roland Bergstrom is taking the lone school census this year. All the P.T.A.'s in Morrow county have charge of getting the school census.

Mrs. Milton Morgan appointed the committees for the UNICEF. Mrs. Wallace Matthews is general chairman.

The program "Springboard to School" was presented by Don McElligott and Mrs. Roxie Moeck. Mrs. Charles Hudson announced the programs for the rest of the year as follows: November, "Freedom of the Grade School Child;" December, "Are School Ager's Social and Athletics Happy?;" January, "Dad's Night;" February, "Teens and the Family Team;" March, "From Ione High—To Where?;" April, Music Appreciation and election of officers; May, officers installation.

Refreshments were served on tables decorated in a Halloween theme. Hostesses were Mrs. Vern Strahm, Mrs. Jack Hynd, Mrs. F. M. McClintock, Mrs. Henry Krebs Jr., Mrs. Dick Krebs, Mrs. Nina Joliff, and Mrs. Staley McGill, all of Cecll.

The Bridge Club met at the home of Mrs. Gene Hall Friday evening. Mrs. Robert DeSpain received high prize; Mrs. Charles Hudson received second high, and Mrs. Walter Jacobs low.

French Announces Entrants In Soil Contest

The Heppner Soil Conservation District has entered the national soil conservation awards program sponsored by the Goodyear Tire & Rubber Co. of Akron, Ohio. It was announced recently by District Chairman Raymond French, of Heppner.

Members of the Heppner district will compete against other soil conservation districts in the state. Non-partisan judging committees, selected from Oregon's outstanding exponents of the soil conservation movement, will determine the state's outstanding district for the period May 1, 1960 to April 30, 1961 on a basis of total points scored in performance of regular district duties.

Grand award for one member of the winning district governing body in each of the 52 competing units, and the top cooperating farmer or rancher named by that district, will be an expense-free vacation trip to Goodyear's fabulous winter resort, the Wigwam Guest Ranch on Goodyear Farms, Litchfield Park, Ariz., in November or December, 1961.

Members of the Heppner district governing body who will compete for the Goodyear award are: Raymond Lundell, Ione; Donald Peterson, Ione; Robert Jepsen, Ione; Alvin Wagenblast, Lexington; and Raymond French, Heppner.

National winners of the Goodyear Soil Conservation Awards will be honored at the seven regular area meetings of the national association of soil conservation districts. Plaques will be awarded at state conventions to the first and second place winning districts.

Rhea Creek-Hardman By MRS. WALTER WRIGHT

The Rhea Creek Grange met at the hall Oct. 14 with a potluck dinner before the business meeting. Honored guests for the evening were: Mr. Roy Means, state Grange deputy, of Redmond; Mr. Clyde Tannehill, Morrow County Grange deputy, of Boardman; Mr. Tannehill was accompanied by Mrs. Tannehill and Mr. and Mrs. Nathan Thorpe of the Boardman Grange.

Mrs. Claud White has been ill at her home for the last two weeks. Mrs. Darrel Vinson is taking care of Mrs. White.

Blockhorse Club Elects Officers

The Blockhorse Livestock club met October 9 at the Bernard Doherty home with seven members present.

Officers elected for the year were: Martha Doherty, president; Maureen Doherty, vice president; Barbara Bloodworth, secretary; and Nancy Doherty, news reporter.

A discussion was held on changing the club name, but it was decided not to change it at this time.

Project cards were signed. The meeting was adjourned and refreshments served by the hostess, Nancy Doherty, reporter

September Savings Bonds Sales Reach \$12,526 Figure

"Systematic buyers are the backbone of the U. S. Savings Bonds program which during the month of September alone found Morrow county citizens putting \$12,526 into the purchase of E and H Savings Bonds." County Bond Chairman Jack Bedford announced here today. Oregon sales for the month were \$2,439, 957," he continued.

"This brings total state-wide sales for the nine-month period of 1960 up to \$26,318,605." The chairman emphasized his belief that "saving a part of what one earns should be an integral part of every wage-earner's program for living. There is no finer way to save than by establishing the habit of regularly purchasing U. S. Savings Bonds."

Homeowners should develop a pre-arranged plan for getting their families out of the house in case of fire. This is especially important when there are small children or elderly people in the family.

Don't Cripple Oregon's \$176,000,000 TOURIST INDUSTRY

Don't be misled by a fancy sounding ballot title! Ballot Measure 15 is NOT DESIGNED to protect scenery but rather to destroy vital jobs and payrolls... to cripple Oregon's \$176,000,000 tourist industry. It will authorize the state to build government-owned billboards with your tax money. Protect your pocketbook.

OREGON is a way of living

...let First National help you enjoy it!

Fall is a time of harvest, and traditionally a time of storing up for the months ahead. Although we seldom store food in cellars and smokehouses in this age of specialization, the same principle applies: You can be ready to face future months or years if you have stored some of today's harvest. For most of us, that harvest is a weekly or monthly income. The way to store it, easily and without worry, is in a First National Bank savings account, built up through regular, repeated deposits. Be ready to handle your future. Open a savings account now at your nearby branch of First National Bank of Oregon.

At Age 96, History Prof Makes History

Chances of beating 100,000-to-3 odds are pretty slim. James Alton James, Chicago, dean emeritus of the Northwestern university graduate school recently beat these odds. He won by living to 96 years of age and collecting on his insurance policies himself.

When James took out his two \$2,000 life insurance policies from the Northwestern Mutual Life Insurance Co. shortly after the turn of the century, the chances against his surviving to 96 to collect the face value were one hundred thousand to three.

On his 96th birthday James was paid a visit by a Northwestern Mutual representative who told James that he could collect the proceeds of his policy — \$4,000, but James preferred to leave the money on deposit with the company and draw interest.

According to the company, over the years James received \$2,313.72 in cash dividends in addition to the \$4,000 of policy proceeds now payable. He had paid total premiums of \$3,978.80 on his policies.

The retired professor spends his time these days "keeping busy". He is now writing a history of the university and of the university's graduate school — a task he has been working at since he retired as chairman of the history department in 1936.

From 1898 to 1936 he was history department chairman. During that time he also served as the first dean of the graduate school — a post he held from 1913 to 1931.

During his career he has served as first chairman of the Illinois State Park commission, lectured at the University of Prague and was consultant to the World Council of Churches meeting in 1954 in Evanston.
