The Amicitia Club met at the home of Mrs. Bob Lovgren on Tuesday night of last week. At this time there were eight members present, with Mrs. Eileen Padberg winning high, Billy Kemp second and Gladys Van Winkle traveling.

Mr. and Mrs. O. W. Cutsforth, Mr. and Mrs. Jim Lemon and Harold Lucas of Monroe, and Mr. and Mrs. Claire Miller of Eugene enjoyed several days hunting recently in the Steen mountains in Central Oregon.

Mrs. O. W. Cutsforth accompanied Mr. and Mrs. Clarence Rosewall to Pendleton Tuesday night to a Democratic fair where they heard Senator Estes Kefauver of Tennessee.

Mrs. W. E. McMillan and Mrs. A. F. Majeske attended the Ladies Auxiliary of the Patriarch Militant in Pendleton on Saturday of last week. The afternoon was spent as a school of instruction. In the evening a banquet was served at the L.O.O.F. hall honoring the candidates for degree of chivalry and their families.

Mrs. Catie Padberg was given the degree of chivalry at the L.O.O.F. hall in Pendleton on Saturday. This is the highest honor bestowed upon a member of the Rebekah Lodge. Following this work, the grand march followed, after which there was a social hour and dance. Mrs. Padberg was accompanied by her husband, Oris Padberg, and her daughter, Mrs. L. D. Vinson of Monument.

Mr. and Mrs. Alonzo Henderson and daughter Betty motored to LaGrande Sunday taking Mr. Henderson's mother, Mrs. Jessie Henderson, to her home there after several days visit in Lexington.

McMillan and wife, and a cousin and wife, Mr. and Mrs. Lowell McMillan of San Francisco. While in Portland Mr. and Mrs. Jones also visited their daughter, Charlene, who is attending school there.

Reddy Kilowatt's Helpful Hints

HOW TO MAKE YOUR HEATING DOLLAR GO FARTHER!

- Make certain your house is well insulated, and that your doors and windows are weather-stripped. This cuts heat loss and gives you more value for your heating dollar.

- Try to keep drapes drawn and shades pulled at night and in rooms not in use because heat passes readily through window glass.

- You can save heat by closing off rooms at night where windows are raised. If the room has a separate thermostat, set it as near the outside temperature as possible.

- If your furnace has air filters, keep them clean. Dirty filters slow down air circulation and make your furnace work harder. Reddy Kilowatt hopes these hints will help save you heating dollars. And remember, Reddy's always at your service for home comfort and convenience. Live better electrically.
