From where I sit... by Joe Marsh

Red Dolan's "Madness"

One day, "Red" Dolan was seen at the golf club strapping on a pair of snowshoes!

When some of Red's friends heard about it, they began joking about Red's mystifying "madness." But I figured Red must have had a reason for donning snowshoes, so I asked him about it.

"Well," said Red, "You know that marsh near the 14th hole, Joe. A lot of the boys slice golf balls right into there and lose 'em for good. So I just put on my snowshoes — they let me travel on top of that spongy marsh surface without sinking

in — and retrieve those golf balls. You should have seen my last haul — enough to play all season with."

From where I sit, people often form opinions about things before they know all the facts. Some folks, for really no good reason at all, will criticize a man for preferring a glass of beer to some other beverage. It's just a matter of taste. To think otherwise is just plain intolerant. And it's a sure way to "shoe" away friends.

RE-ELECT

BEN MUSA

Democratic Nominee

STATE SENATOR

Sixteenth District

Senator Musa was the prime mover in securing a 20% reduction in state income taxes during the 1957 special session. He has consistently striven to prevent the accumulation of unnecessary surpluses caused by excessive taxation. He understands the problems of the district; and as in the past, will continue to serve the best interests of all its people.

If re-elected to the Senate he will:

1. Try again to create a State Board of Tax Appeals, independent of present tax levying bodies;
2. Work for restoration to local governments local controls now in the hands of inaccessible state bureaus;
3. Work for sensible tax laws and tax administration to encourage development of our area and its resources.

Pd. Adv. Musa for State Senator Committee, Katherine Musa, Treas.

DON'T BE MISLED!

BALLOT MEASURE NO. 15 — the billboard control measure, is a **BAD** bill which would cost Oregon families vital payroll dollars.

1. Oregon would become a "tourist corridor" to other states — our \$176,000,000 tourist industry would suffer.
2. Without adequate signs many hotels, restaurants, motels, service stations, resorts, stores of all kinds would be hurt or go out of business.
3. This measure would authorize the State to go into the billboard business and construct facilities with tax dollars.

Vote NO on No. 15 UNFAIR BILLBOARD MEASURE
