## STEADY, AMERICA!

Let's Be Done With Wiggle and Wobble

### VOTE DEMOCRATIC!

WE CAN MEET THE CHALLENGE!

From Cuba to the Congo, the world is in turmoil. Here at home too many areas of our national life suffer neglect.

A dazed Republican Administration is so lacking in purpose and ideas that America is in increasing danger of being second best in the world struggle.

We can meet the challenges of a stormy world with the leadership of a man and a party that will face our problems and do something about them.

It is time for a Democratic President who will bring new American leadership. It is time to elect Senator John F. Kennedy President of the United States.
