## 4-H Club Works On Christmas Basket

The meeting of Blackhorse 4-H Livestock Club was called to order Dec. 4 by the president, Martha Doherty, at the Doherty home. The pledges were led by Jimmy Bloodsworth and Nancy Doherty. All were present for roll call and two new members were welcomed into the club making a total of nine members. They are Karen Edwards and Candy Papineau.

The minutes were read by secretary Barbara Bloodsworth and were approved. Frank McFadden gave a report on insecticides and fly control. Tony Doherty gave a report on care of the newborn lamb. Martha Doherty reported on feeding and care of pregnant ewes.

Plans were made for the Christmas project. A box was decorated and we planned what was to go into it to make a complete meal for a deserving family. We also decided that each 4-H family would add a small personal gift to the box.

The community project was discussed and a committee appointed to work out details.

A discussion was held on buying 4-H jackets. Everyone was in favor and we hope to have them by fair time.

Dan Wardwell and Jan Edwards were guests. Refreshments were served by the hostesses.

All of the parents attend our meetings and we wish to thank them for being so active in our club.
