**1961 Fishing, Hunting Licenses On Sale**

Fishermen — hunters — if you intend to fish or hunt in January, a 1961 license is required. The 1961 licenses are now available at all license agents throughout the state and sportsmen are urged to purchase the new licenses as soon as possible so they won't be caught short at the beginning of the new season.

Resident license fees remain the same as last year, \$4.00 for an angling license, \$4.00 for a hunting license, or \$7.00 for a combination hunting and fishing license. Juvenile hunting or fishing licenses remain at \$2.00 for persons from 14 to 17 years of age. In addition to an angling license, persons who intend to angle for salmon and steelhead during 1961 must also purchase the \$1.00 salmon and steelhead license.

Juvenile hunters, regardless of age, who intend to hunt for big game animals during the 1961 season are reminded that the regular adult hunting license is required. Young hunters should take this into consideration when purchasing licenses since refunds cannot be made on juvenile licenses. In other words, youngsters who purchase the juvenile hunting license and later decide to hunt big game will have to purchase up an additional \$4.00 for the regular adult license.

All license agents are required by law to charge 25 cents for each license of \$5.00 or more and 10 cents for each license under \$5.00. This additional charge by the agents is to help defray their expenses and time in handling hunting and fishing licenses.
